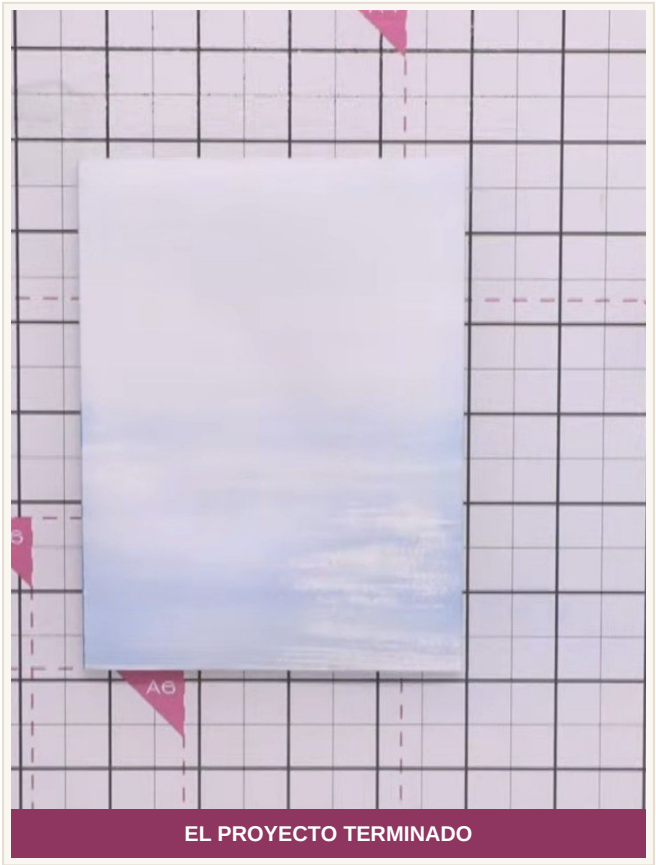
Reflection Collection Tomorrow Card with Painted Background

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - THE BRAND NEW LAUNCH - 23 DE JULIO DE 2026



EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create a romantic scene card featuring elegant swans on water with beautiful reflections and foliage. This project uses watercolour painting to create a soft blue background, then layers stamps from the Tomorrow reflection collection to build depth and atmosphere. The built-in reflection effect in the stamps creates a realistic water scene without extra work, framed with dark reeds and foliage for a striking finished piece.

PASO A PASO

PASO 1 DE 10

Place your A5 watercolour card stock on your craft mat. Using a flat brush, apply blue ink across the card to create the background for your scene.

VER ESTE PASO - 52:00

PASO 2 DE 10

Spray the inked card with water and blend the blue ink using horizontal brush strokes, working from light at the top to darker at the bottom. If white spaces appear, leave them to add interest to the background.

VER ESTE PASO - 52:30

PASO 3 DE 10

Use a heat tool to dry the painted background completely. Move the heat tool over the entire surface until the paint is fully dry.

VER ESTE PASO - 53:00

PASO 4 DE 10

Position the swan stamp from the Tomorrow collection on the upper portion of your prepared background card. Stamp the image using black pigment ink, placing the swans where they will appear to be sitting in the water.

VER ESTE PASO - 59:00

PASO 5 DE 10

Using black ink, stamp the water reflection lines below the swans to create the illusion of ripples and depth in the water.

VER ESTE PASO - 59:45

PASO 6 DE 10

Stamp the foliage silhouette in black ink on the left side of the card to frame the swans. Position the stamp to create a natural border alongside the water scene.

VER ESTE PASO - 1:01:45

PASO 7 DE 10

Stamp additional foliage in green ink on the right side of the water area, moving the stamp slightly between impressions to create texture and layering.

VER ESTE PASO - 1:02:30

PASO 8 DE 10

Use the orange ink pad to add colour to the swans' beaks. Add a hint of orange to the reflection below each beak.

VER ESTE PASO - 1:04:45

PASO 9 DE 10

Using a white ink pad, layer white ink over the swans to bring them forward and create contrast against the blue background. This adds depth and makes the swans stand out.

VER ESTE PASO - 1:05:30

PASO 10 DE 10

Apply clear glue in random lines across the water area of the card. Sprinkle clear sparkles over the glue to create shimmer when dry.

VER ESTE PASO - 1:07:00

CONSEJOS DEL PROGRAMA

- You can use normal card stock for this technique, but watercolour card stock gives a smoother blend.
- The packet provides a reference image to guide you on stamp placement and layering.
- Use clean water and a clean brush to lift colour out if you make a mistake, creating highlights in the water.
