PASO 4 DE 8

Using a paintbrush, apply the pink ink to the flower petals on the hot foiled watercolour card. Allow the colour to sit naturally on the watercolour surface, building up the pink tones on the petals.

PASO 5 DE 8

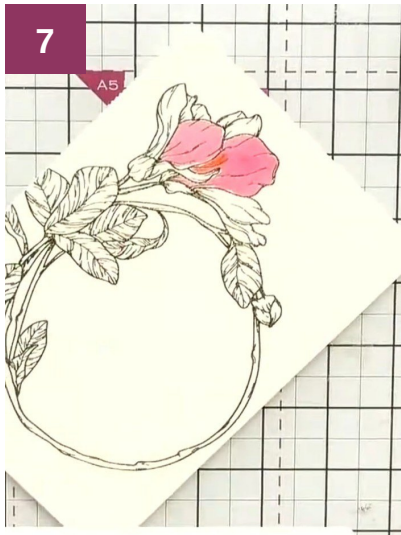

Apply orange ink to the areas adjacent to the pink petals, blending the colours where they meet to create a smooth transition.

Allow the painted card to dry completely before proceeding to the next step.

CONSEJOS DEL PROGRAMA

- Use water-based ink pads from your existing stash rather than buying new watercolour paints.
- You don't have to stay within the lines—let the colour bleed out for a contemporary feel.
- The gold foil details will resist the water and ink, creating natural highlights.
