PASO A PASO

PASO 1 DE 12

Cut a black card base. Cut a piece of black cardstock to create a matted layer for the card front.

PASO 2 DE 12

Stamp the lady outline image onto your white card panel using black ink, positioning her towards the upper portion of the design. Ensure the image is clear and well-defined before lifting the stamp.

PASO 3 DE 12

Apply teal and purple ink pads to the dress area of the stamped lady using a sponging or blending technique. Build up the colour gradually to create a watercolour effect on the dress.

PASO 4 DE 12

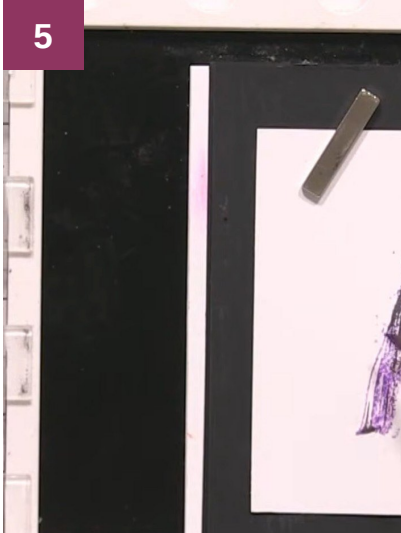

Lightly spray the inked dress area with water to blend and soften the colour transitions between the black and white ink.

[VER ESTE PASO - 1:07:00](#)

5

PASO 5 DE 12

Add purple ink speckles around the dress area using a brush to create an artistic splatter effect. Allow the speckles to extend beyond the dress outline for a creative, artistic look.

6

PASO 6 DE 12

Stamp a sentiment such as 'the world is your runway' underneath the lady's dress using black ink. Position the sentiment stamp below the dress illustration and press firmly to create a clear impression.

Die-cut the small floral flower pieces from coloured cardstock using the hellebore die set. Ensure all the petals and centres are cut cleanly and separate the individual pieces.

[VER ESTE PASO - 1:11:00](#)

8

PASO 8 DE 12

Layer and glue the flower petals together to create a three-dimensional effect. Build up the layers to add dimension to your floral embellishment.

[VER ESTE PASO - 1:13:00](#)

9

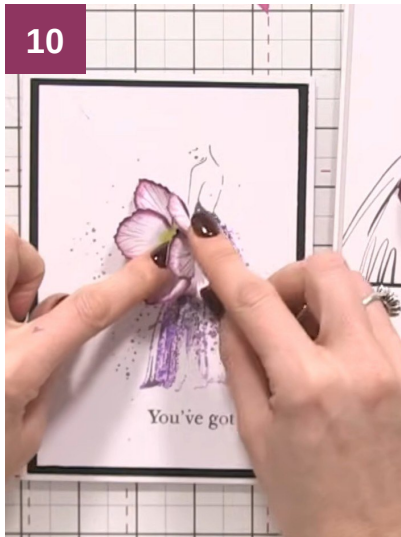

PASO 9 DE 12

Attach a pink gem to the centre of the white and pink flower for added sparkle and focal interest.

[VER ESTE PASO - 1:13:30](#)

10

PASO 10 DE 12

Position the completed purple flower onto the card front, placing it so it appears to be held by or emerging from the stamped lady figure. Fold the flower slightly to add dimension, then glue it securely in place.

11

PASO 11 DE 12

Add small foliage sprigs around the flower arrangement to create a natural, flowing composition. Position the greenery to complement the hellebore and complete the floral design on the dress.

PASO 12 DE 12

Add sparkle to the dress area by applying glitter or sparkly embellishments to enhance the floaty, ethereal quality of the design.

CONSEJOS DEL PROGRAMA

- If you don't have centres for the flower, use a sparkly gem as an alternative focal point.
- Lamination stamps are very forgiving with alignment, so don't worry if the dress colour doesn't line up perfectly.
- To save time and reduce mess, cut multiple flower pieces and stamp multiple dress outlines in one session, then assemble them all together later.
