

Retro Wedge Shoe Card with Stencil Layering

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - MY PODCAST - 19 DE FEBRERO DE 2024

SOBRE ESTE PROYECTO

Create a vibrant retro-inspired card featuring colourful wedge platform shoes perfect for a disco theme. Using a five-part stencil layering system, you'll build up decorative patterns including flowers, stripes and swirls on the shoes against a glittery disco ball background. The main techniques include stencil layering with ink pads and adding stamped sentiments to complete your fun, 1970s-style greeting card.

- The registration hearts are optional; experienced crafters can skip them, but they help beginners align the stencils accurately.
