

Embossed Love Card with Decorative Folder

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE AND CRAFT TV - 9 DE FEBRERO DE 2024

SOBRE ESTE PROYECTO

Create an elegant romantic card featuring embossed 'love' text in all four corners using a 6x6 embossing folder. The textured design creates a sophisticated black and white card base that can be enhanced with gilding wax for added shimmer. This classic technique pairs beautifully with coordinating black and gold papers for a timeless, heartfelt greeting card.
