UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - MY PODCAST - 6 DE FEBRERO DE 2024

SOBRE ESTE PROYECTO

Create a stunning layered card featuring a tropical beach sunset scene with silhouetted figures jumping on the shore. Using the Dawn paper collection's vibrant watercolour backgrounds and reflection stamp system, you'll build depth by stamping palm trees and figures in black, then matting and layering to create a dimensional piece. The finished card showcases warm sunset colours with dramatic silhouettes that create a joyful, atmospheric scene.

CONSEJOS DEL PROGRAMA

- You can create your own unique scenes by choosing which colours to use for different elements; the reflection stamp is versatile and not limited to black.
- Picking the right colours helps you build a cohesive landscape—for example, blue for trees and black for silhouettes creates a natural look.
- You are the master of your own artwork; stamp elements wherever you want to tell your own story.
