PASO A PASO

PASO 1 DE 8

Select the solid portion of your Floral Magic lamination stamp and ink it up with your chosen ink colour using an ink pad or blending tool.

PASO 2 DE 8

Stamp the solid floral image onto your card base using the stamp from the Floral Magic Lamination Collection. Position the image centrally on your card.

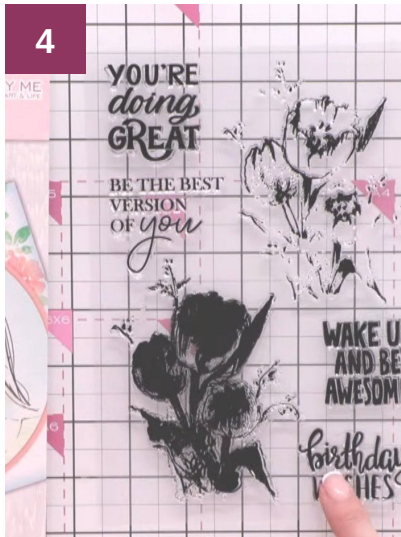

[VER ESTE PASO - 35:00](#)

PASO 3 DE 8

Spray the stamped floral image lightly with water to create a watercolour effect. Use a fine mist spray to dampen the stamped design evenly.

[VER ESTE PASO - 35:15](#)

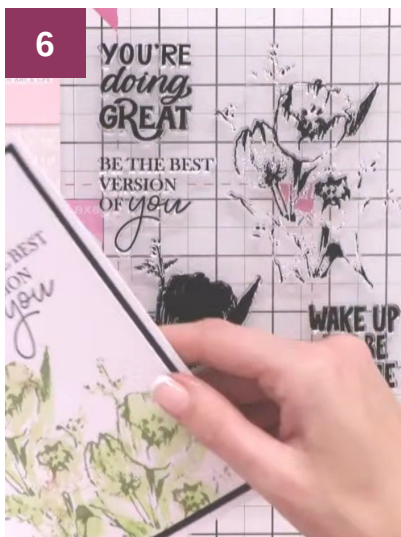

PASO 4 DE 8

Spray the outline stamp with water and stamp it directly over the coloured solid stamp image, aligning it carefully to create a detailed floral design.

[VER ESTE PASO - 35:30](#)

PASO 5 DE 8

Allow the stamped and coloured floral image to dry completely before proceeding to the next step.

[VER ESTE PASO - 36:00](#)

PASO 6 DE 8

For a different look, use just the solid floral stamp on its own without the outline stamp. This creates a simpler, bolder effect as shown on the purple Birthday Wishes card.

[VER ESTE PASO - 36:15](#)

PASO 7 DE 8

Select your chosen sentiment stamp from the coordinating stamp set and position it to one side of your card design.

[VER ESTE PASO - 36:45](#)

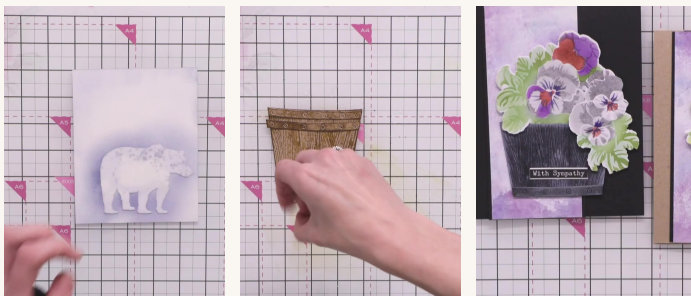

PASO 8 DE 8

Mount your laminated topper onto a card base using foam pads or adhesive. Layer onto patterned paper or coloured card blanks in coordinating colours for a professional finish.
