Embossed Vellum Mount Card with Layered Fern Detail

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE AND CRAFT TV - 8 DE ENERO DE 2024

EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create a sophisticated card featuring elegant floral imagery with embossed vellum layering. This project combines coral and grey cardstock with delicate rose and fern motifs, using embossing techniques and dimensional layering. The finished piece showcases subtle texture and depth through careful fussy cutting and stencilled shadow details.

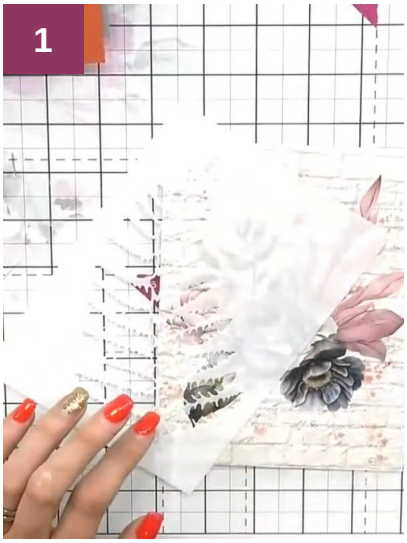
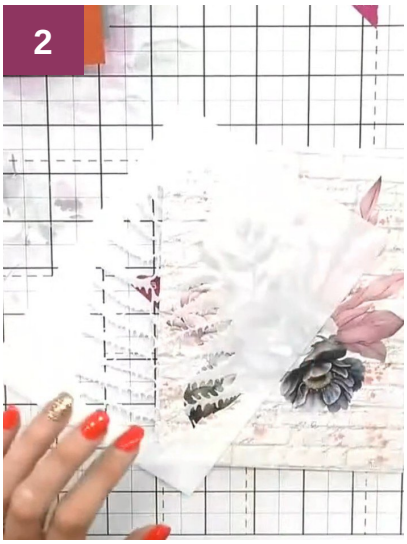
PASO A PASO



PASO 1 DE 9

Take one of the painted mounts from the Wistful Charm collection. Fussy cut a floral element (roses with pink leaves and grey foliage) from the painted mount to use as a separate decorative layer.

VER ESTE PASO - 34:15



PASO 2 DE 9

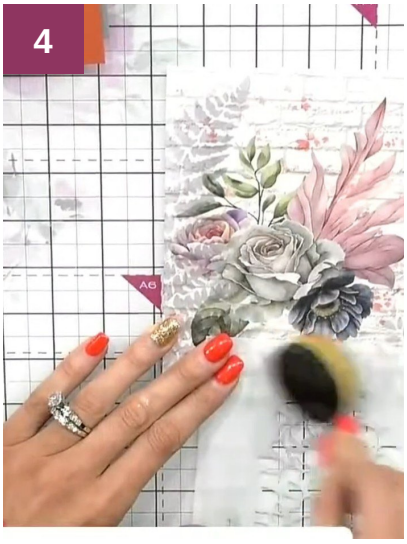
Place the vellum sheet inside the Magnolia embossing folder and run it through your embossing machine to create the embossed floral design.

VER ESTE PASO - 34:30

PASO 3 DE 9

Trim the embossed vellum to fit neatly within the painted mount aperture, carefully tearing off any excess material around the edges.

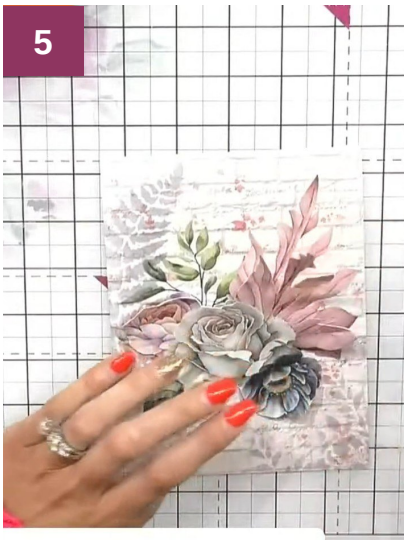
VER ESTE PASO - 35:00



PASO 4 DE 9

Use the fern stencil with black distress ink and a blending brush to add subtle shadow detail to one side of the painted mount background. Dab the ink lightly through the stencil to create a soft, shadowy effect.

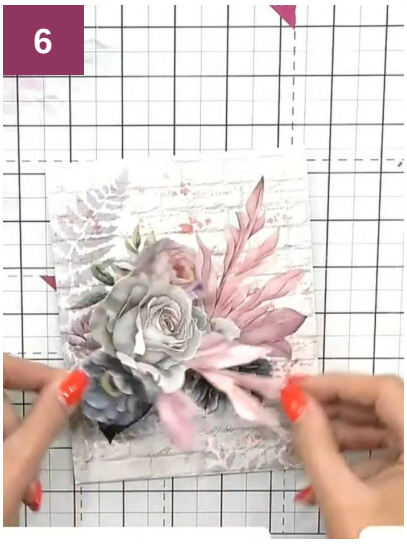
VER ESTE PASO - 35:30



PASO 5 DE 9

Use the floral stencil with black distress ink to add small floral detail near the bottom of the painted mount. Apply the ink lightly through the stencil to create subtle decorative elements.

VER ESTE PASO - 36:00



PASO 6 DE 9

Highlight the embossed details on the vellum by gently swiping white ink pad across the raised floral areas. Work carefully to catch just the raised surfaces, creating a subtle highlighted effect.

VER ESTE PASO - 36:15

PASO 7 DE 9

Soften the edges of the fussy-cut floral element by gently tearing around the perimeter to create a more natural, feathered edge.

VER ESTE PASO - 36:45

PASO 8 DE 9

Apply adhesive to the back of the fussy-cut floral topper and position it off-centre on the vellum panel to create a natural bouquet effect.

VER ESTE PASO - 37:00

PASO 9 DE 9

Mount the completed floral design onto a white card base using adhesive. Ensure the design is centred and pressed down firmly for a clean, professional finish.

VER ESTE PASO - 39:00

CONSEJOS DEL PROGRAMA

• Tear the edges of fussy-cut elements rather than cutting them straight to create a softer, more organic appearance.
• Position fussy-cut elements off-centre to make the design look like a full bouquet rather than a single element.
• High-quality vellum will not crack or crumble when run through embossing folders, giving you crisp, clear detail.
