PASO A PASO

PASO 1 DE 10

Select a piece of patterned paper from the **Wistful Charm paper pad**. Feed the paper through your cutting machine (such as a Eureka 101 trimmer) to ensure the edges are straight and even.

PASO 2 DE 10

Stamp the bird image from the **Wistful Charm stamp set** onto the patterned paper using **black ink**. Press firmly to ensure all the fine details of the tree and bird design are captured clearly.

[VER ESTE PASO - 17:45](#)

PASO 3 DE 10

Ink up the **Wistful Charm stamp** again and stamp a **second impression** on a **separate piece of paper**. This will provide additional elements for layering on your card.

PASO 7 DE 10

Use a brush with white ink to add highlights to the stamped image, bringing back detail where colours have blended together. Focus on areas that need definition, such as the bird and floral elements.

PASO 8 DE 10

Take your scissors and scrape the side of the blade down the edges of the stamped piece to create a distressed, feathered effect.

[VER ESTE PASO - 22:45](#)

9

PASO 9 DE 10

PASO 10 DE 10

Adhere the decorated piece onto a card blank using adhesive. Position the piece centrally on the card front to complete your vintage bird stamped card.

CONSEJOS DEL PROGRAMA

- Use a good quality white ink pad to bring back detail if your blending becomes too heavy.
- Don't be tight with your twine—use a generous amount for better texture and visual impact.
- The paper will take water quite well even though it is not watercolour card, allowing for beautiful blending effects.
