

Curtains and Car Card with White Highlight

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE AND CRAFT TV - 2 DE ENERO DE 2024

SOBRE ESTE PROYECTO

Create an elegant vintage-inspired card featuring a classic car image framed by embossed curtains. Using the Curtains embossing folder on pink patterned paper and a black-and-white car motif, you'll build a sophisticated layered scene. White ink highlighting adds dimension and brings the curtain design to life, creating the illusion of drapes framing your focal image.
