PASO A PASO

1

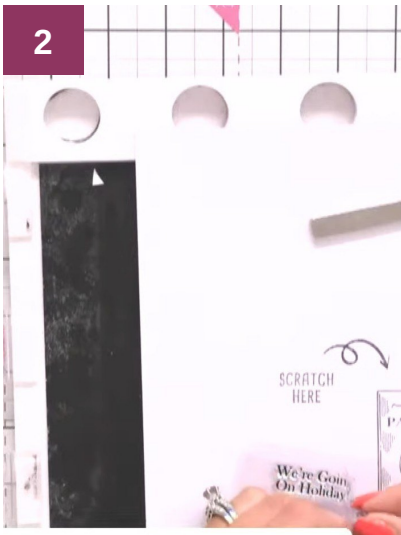

PASO 1 DE 7

Stamp the passport design from the holiday travel set onto white card stock using black ink. Position the stamp clearly on the card and press firmly to ensure a crisp impression.

2

PASO 2 DE 7

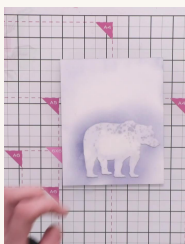

Using the arrow stamps from the set, stamp arrows pointing in your chosen direction onto the passport design to indicate movement or direction. Position them near the 'scratch here' area.

3

PASO 3 DE 7

Position the trendy triangles cover plate on its side at an angle to create a dynamic diagonal design rather than an upright triangular pattern. This creates a flash or movement effect across the card front.

CONSEJOS DEL PROGRAMA

- The protective plastic layer on the stickers prevents damage to stamped or written messages underneath, even with firm scratching.
- You can write your own personalised message under the sticker instead of using pre-stamped sentiments.
- The stickers can be used on photographs or other surfaces for creative reveals.
