PASO 6 DE 10

Heat emboss the stamped poppy images using gold embossing powder. Apply embossing powder to the stamped designs and use a heat tool to melt and set the powder, creating a raised, shiny gold finish on the flowers and leaves.

[VER ESTE PASO - 35:00](#)

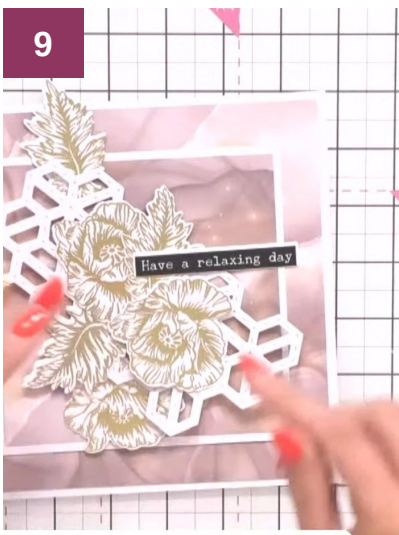

PASO 7 DE 10

Die cut the embossed poppy images using the coordinating dies from the Poppy Haze stamp and die set. Position the dies over the stamped and embossed images to ensure accurate cutting.

[VER ESTE PASO - 35:30](#)

PASO 8 DE 10

Position the gold-embossed poppy flowers onto the white Hexi Mosaic cover plate background. Experiment with the placement of the flowers before adhering them to create your desired composition.

[VER ESTE PASO - 38:45](#)

PASO 9 DE 10

Add gold foliage elements from the die-cut pieces around the flowers to frame them. Position the leaves to complement the floral arrangement and create a balanced design.
