Wish Upon a Star Easel Card with Decorative Edge

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE AND CRAFT TV - 30 DE DICIEMBRE DE 2023

EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create a stunning standing easel card featuring die-cut stars with decorative edge details. The card showcases beautifully coloured floral elements in purples and whites against a grey background, with layered stars creating wonderful dimension. This project uses die-cutting and layering techniques to produce an elegant display piece perfect for a mantelpiece.

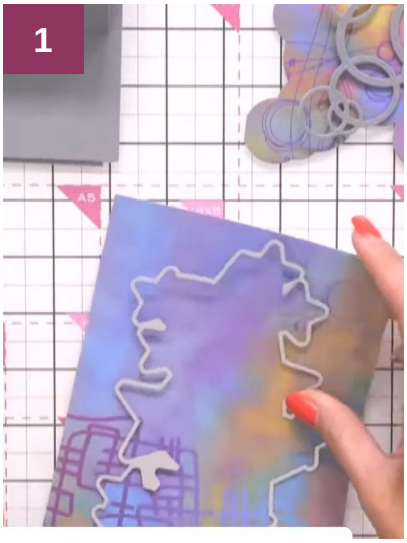
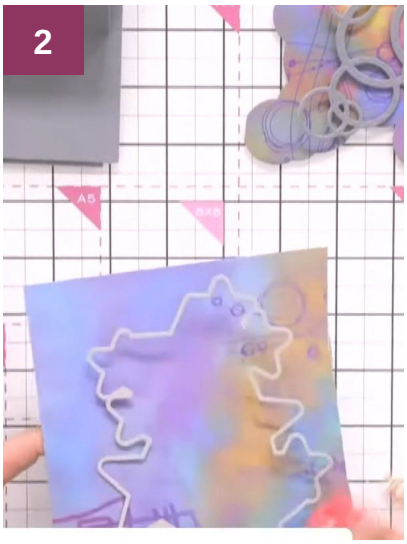
PASO A PASO



PASO 1 DE 9

Cut the star design from grey card stock using your die-cutting machine. Use the star die from the plate die set to cut out the shape.

VER ESTE PASO - 10:00



PASO 2 DE 9

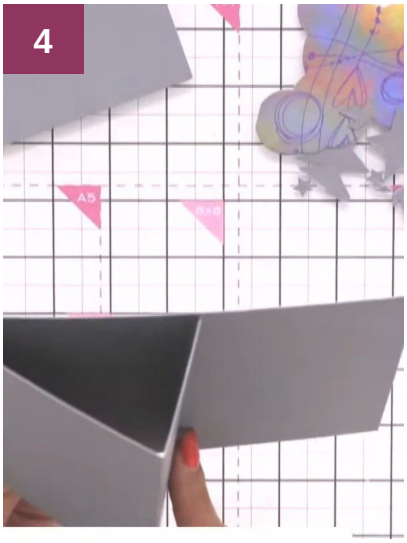
Pop out all the individual stars from the die-cut sheet and save them in a container for later use.

VER ESTE PASO - 10:15

PASO 3 DE 9

Place the exterior die outline onto your chosen patterned paper. Run through your die-cutting machine to cut out the coloured backing piece for your card.

VER ESTE PASO - 10:30



PASO 4 DE 9

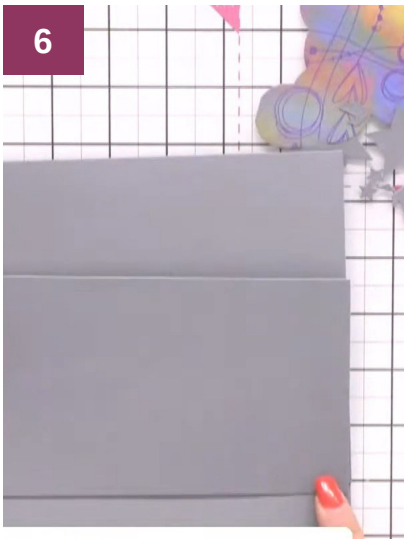
Score the front panel of your grey card base down the middle to create the easel stand element. This will allow the card to stand upright when displayed.

VER ESTE PASO - 12:00

PASO 5 DE 9

Glue the grey patterned paper piece with the cut-out stars to the front of your card base, aligning it carefully.

VER ESTE PASO - 12:30



PASO 6 DE 9

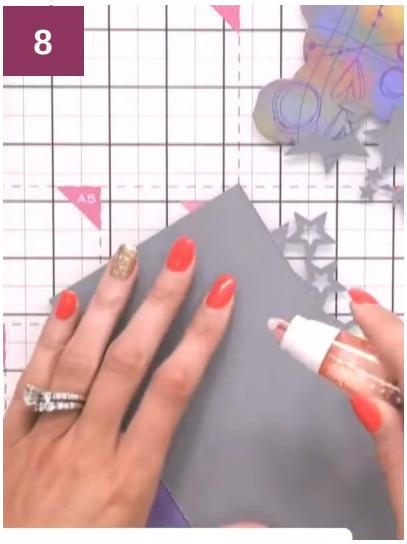
Position the grey star layer on top of the base card, offsetting it slightly to create a drop shadow effect. Secure in place with tape on the reverse.

VER ESTE PASO - 13:00

PASO 7 DE 9

Add decorative embellishments to the top of your card. Position die-cut stars and other elements across the upper portion of the card front for extra detail and visual interest.

VER ESTE PASO - 13:45



PASO 8 DE 9

Attach your chosen sentiment or washi tape message to the grey base card. Position it centrally at the bottom of the card base to complete your design.

VER ESTE PASO - 14:15

PASO 9 DE 9

Stand the completed card upright in easel position, with the decorative star edge at the base supporting the card. The floral arrangement should be visible at the top, with the sentiment strip and water scene displayed on the front panel.

VER ESTE PASO - 16:45

CONSEJOS DEL PROGRAMA

- Save all the die-cut elements (stars, hearts, butterflies) in a container as you may want to paper piece them back in or cross-pollinate designs.
- The exterior die means you don't have to worry about the design cutting through halfway, giving you complete coverage.
- You can use the same concept with any of the other cover plate designs like bubbles or butterflies.
