

Gold Foil Embossed Collage Card with Teal Base

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE TOGETHER CLUB CHAPTER 3 - 14 DECEMBER 2023...

SOBRE ESTE PROYECTO

Create a stunning mixed-media card featuring two contrasting designs side by side. The left card showcases soft pink watercolour florals with an inspirational sentiment, whilst the right card displays a dramatic copper-foiled sunflower embossed onto vintage book text, all mounted on a teal card base. This project combines embossing, foiling and collage techniques for a sophisticated handmade greeting card.

2

CONSEJOS DEL PROGRAMA

- Gold wax or metallic inks create a striking contrast on patterned papers and show up beautifully on the embossed design.
- Layering different coloured cardstocks and patterned papers creates a mixed-media effect that makes the embossed design stand out.
