6

PASO 6 DE 8

Mix pink or red confetti ink and use a brush to add berry clusters in groups of three around the wreath. Place the berries at intervals between the leaves to create a festive look.

[VER ESTE PASO - 38:30](#)

CONSEJOS DEL PROGRAMA

- The confetti inks work beautifully on both black and white cardstock, maintaining their pearlescent finish on either surface.
- You can overlay colour on top of colour with these paints without any issues.
- If you are not confident with the technique, practise on a spare piece of card first to get a feel for the paint consistency.
