PASO 5 DE 10

Take two 7x7 inch white card blanks and place them together. Use a scoring board to align and position them, then glue one embossed piece to the back of the other to create the album structure with pockets.

6

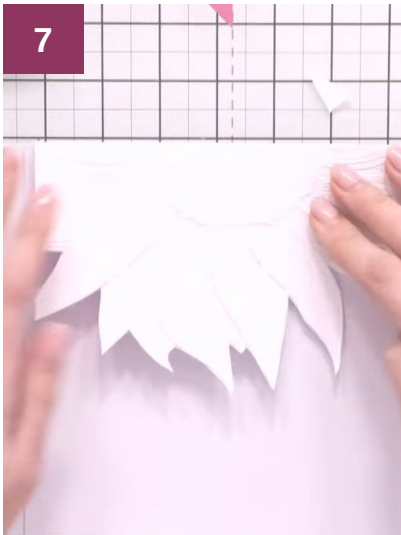

PASO 6 DE 10

Cut patterned paper pieces slightly smaller than your card blanks. Glue them inside to line the pages, ensuring they don't interfere with the fold lines.

7

PASO 7 DE 10

Position the patterned paper onto the front of the white card blank, ensuring the embossed sunflower detail is visible. Smooth down to adhere the paper to the card.

8

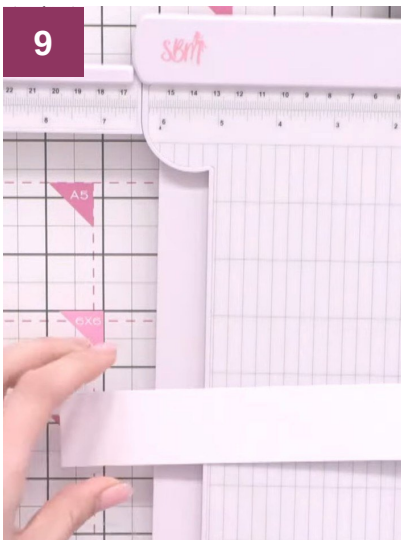

PASO 8 DE 10

Fussy cut decorative elements from your patterned paper, such as flowers or leaves. Layer these cut-out elements on top of the embossed sunflower to add dimension and visual interest.

9

PASO 9 DE 10

Cut a strip of white card stock approximately 1.5 inches (4 cm) wide to create a belly band. Wrap it around the closed album and glue the ends together at the back to secure.

[VER ESTE PASO - 42:45](#)

10

PASO 10 DE 10

Adhere the patterned paper strip to the back cover of the album. Embellish the belly band by attaching a fussy-cut floral element from the patterned paper.

CONSEJOS DEL PROGRAMA

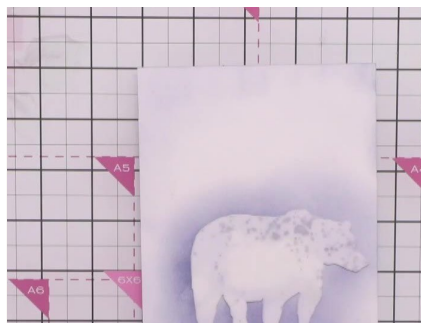

- Use paper from your existing stash rather than buying new; papers from several years ago work perfectly for this project.
- Always construct all flaps and folds before decorating, so construction details are hidden by embellishments.
- Make your belly band at the very last moment after filling your album, as the album will expand and the band needs to fit snugly.
