PASO A PASO

1

PASO 1 DE 15

Place a square of black cardstock on your cutting mat as the base for your card. This will provide high contrast for the stamped images.

2

PASO 2 DE 15

Ink up the coloured base layer of the bird stamp with Magenta and Bittersweet ink pads, applying the colours directly to different areas of the stamp.

[VER ESTE PASO - 39:30](#)

3

PASO 3 DE 15

Spritz the stamp with water and press it onto the white card to create the first bird image. Position the bird in the desired location on your card.

[VER ESTE PASO - 40:00](#)

4

PASO 4 DE 15

Re-ink the stamp with fresh orange and pink ink, spray lightly with water, and stamp a second bird on the card overlapping the first to create a cascading effect.

[VER ESTE PASO - 40:30](#)

5

PASO 5 DE 15

Ink the stamp with orange and yellow ink, spray with water, and stamp a third bird in the lower portion of the card.

[VER ESTE PASO - 41:00](#)

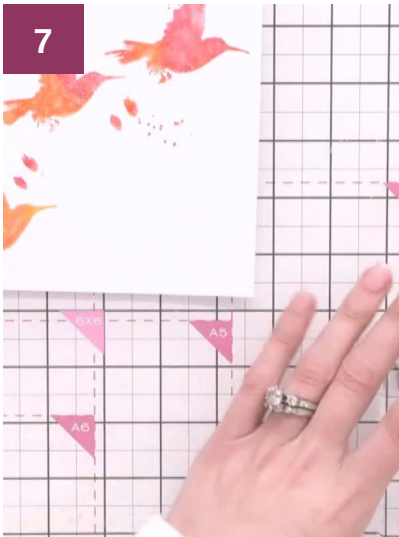

6

PASO 6 DE 15

Use a heat gun to completely dry the stamped birds on the card. Hold the heat gun over the card, moving it around to ensure even drying of all the stamped images.

[VER ESTE PASO - 41:30](#)

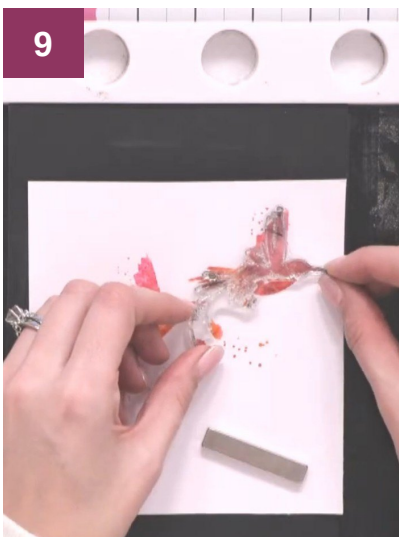

PASO 7 DE 15

Use an antistatic bag to wipe over the stamped card surface. This removes any excess moisture and prepares the card for embossing.

[VER ESTE PASO - 42:30](#)

PASO 8 DE 15

Ink up the black detail layer stamp with a sticky embossing ink pad. Ensure the entire stamp surface is evenly covered with the embossing ink.

[VER ESTE PASO - 43:00](#)

PASO 9 DE 15

Stamp the detail layer over each bird twice, pressing firmly to capture all the fine details. The stamping doesn't need to line up precisely with the first layer.

[VER ESTE PASO - 43:30](#)

10

PASO 10 DE 15

Apply gold embossing powder over the wet embossing ink, ensuring all stamped bird areas are covered. Tap off any excess powder.

[VER ESTE PASO - 44:15](#)

11

PASO 11 DE 15

Tap off the excess gold embossing powder from the card. Heat set the remaining powder with a heat gun until it melts and becomes shiny.

[VER ESTE PASO - 44:45](#)

12

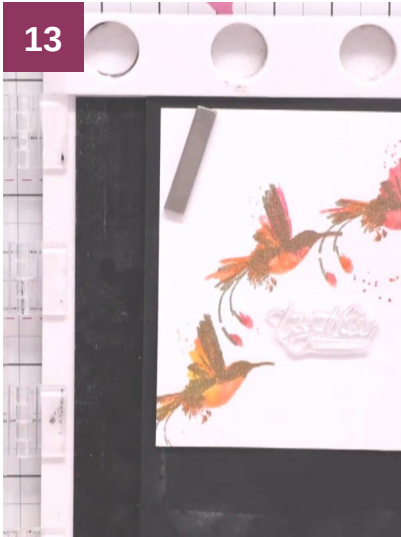

PASO 12 DE 15

Ink up a sentiment stamp with sticky embossing ink. Press the stamp firmly onto the card to transfer the sentiment.

[VER ESTE PASO - 48:00](#)

13

PASO 13 DE 15

Stamp the sentiment in the centre of the white card panel, pressing down firmly twice to ensure a clear impression.

[VER ESTE PASO - 48:30](#)

14

PASO 14 DE 15

Apply gold embossing powder to the sentiment stamp. Heat set the embossing powder with a heat tool until it becomes shiny and raised.

[VER ESTE PASO - 49:00](#)

15

PASO 15 DE 15

Mount your finished stamped and embossed panel onto a black card blank. Position it centrally and secure with adhesive. You can optionally add sequins around the design for extra sparkle.
