

Watercolour Stencil Star Card with Rock Gods Stamp

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CRAFT BATTLE - 27 DE OCTUBRE DE 2023

SOBRE ESTE PROYECTO

Make a striking card with a watercolour stencil star as the centrepiece, blended in coral and pink hues with layered stamped rock music imagery. Using water and ink through a stencil creates a soft, flowing colour effect that contrasts beautifully with bold graphic stamps. This contemporary design combines artistic watercolour techniques with dynamic typography for an impactful finish.

PASO A PASO

1**PASO 1 DE 7**

Spray water onto your white card base to prepare the surface for watercolour work. Ensure the card is evenly dampened across the area where you'll be applying colour.

[VER ESTE PASO - 8:30](#)**2****PASO 2 DE 7**

Apply coloured inks directly onto the wet watercolour card. Start with one colour in the centre, dabbing the ink pad onto the surface to build up the colour.

[VER ESTE PASO - 8:45](#)**3****PASO 3 DE 7**

Add pink ink to the middle area of your watercolour panel and allow the colours to blend naturally with the water already on the surface.

[VER ESTE PASO - 9:00](#)**4****PASO 4 DE 7**

Position the stencil over your card and apply ink through the mask to create an exploding star design. Use a dauber or sponge to blend the colours through the stencil openings.

[VER ESTE PASO - 9:15](#)**5****PASO 5 DE 7**

Stamp the Rock Gods image onto an acrylic block to create a dimensional element. Use the stamp set to press the design firmly onto the block surface.

[VER ESTE PASO - 10:00](#)**6****PASO 6 DE 7**

Allow the watercolour card to dry completely before adding any additional elements. Set aside to ensure the ink is fully dry before proceeding to the next step.

CONSEJOS DEL PROGRAMA

- The challenge of this technique is ensuring the card dries in time before adding further embellishments.
- Water-based techniques create beautiful blended effects when you allow colours to flow naturally.
