

Hand-Painted Bauble with Teal and Brown Shading

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE AND CRAFT TV - 25 DE OCTUBRE DE 2023

SOBRE ESTE PROYECTO

Create a stunning three-dimensional bauble ornament using hand-painting techniques on a circular die-cut. This project combines teal ink for the highlighted areas and brown for the shadows, producing a realistic shiny sphere effect with beautiful depth and dimension. The finished piece makes a perfect decorative element for cards or festive crafts.

PASO A PASO

1

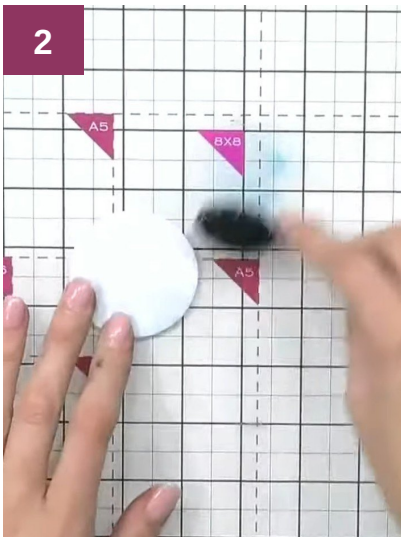

PASO 1 DE 9

Die-cut a circle from white card stock using the bauble die from the Decorative Baubles die set.

[VER ESTE PASO - 52:00](#)

2

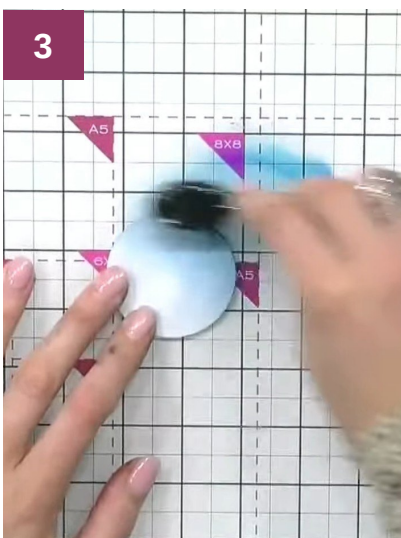

PASO 2 DE 9

Using a brush, apply light teal ink all over the white circle to create an even base colour.

[VER ESTE PASO - 52:15](#)

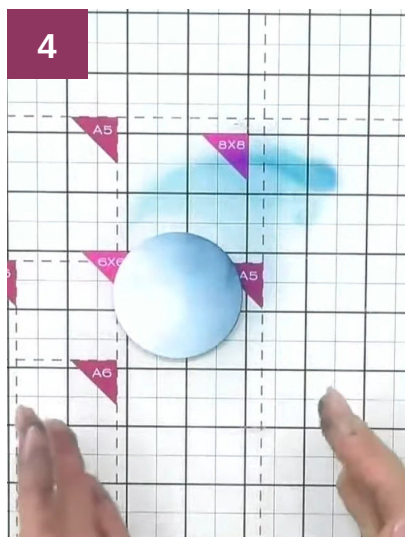

3

PASO 3 DE 9

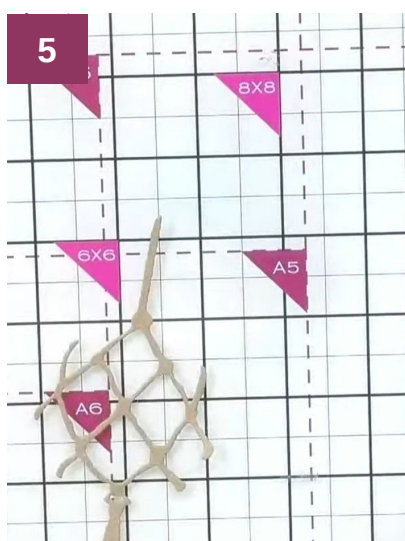

Apply darker teal ink to one side of the circle to create shadow and dimension. Blend the ink to form a gradient effect from darker to lighter.

[VER ESTE PASO - 52:30](#)

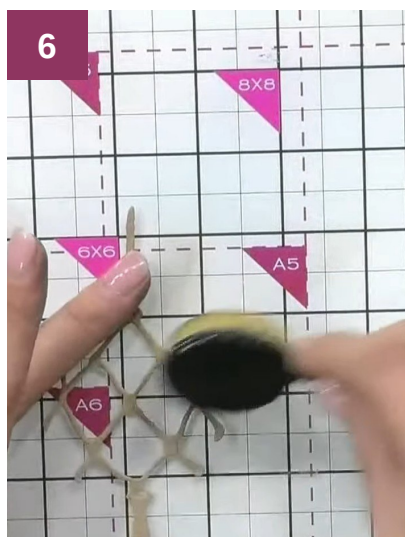

PASO 4 DE 9

Visualise the circle as a moon in shadow form to guide your shading placement. This will help you understand where to apply darker and lighter tones when painting the bauble.

[VER ESTE PASO - 52:45](#)

PASO 5 DE 9

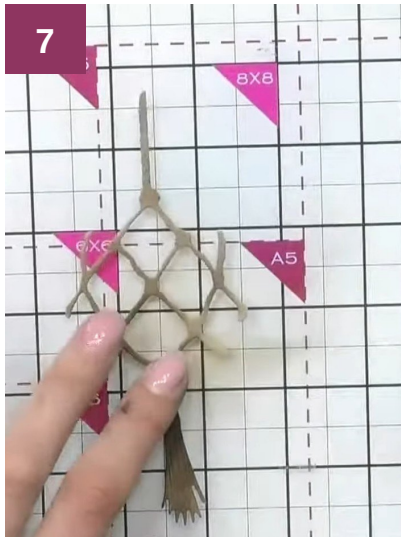

Die-cut the coordinating tassel and wrap detail from cream cardstock using the decorative baubles die set. The dies are designed to create decorative elements that complement the bauble shape.

[VER ESTE PASO - 53:00](#)

PASO 6 DE 9

Using a brush, apply brown ink to the tassel and wrap pieces to add definition and shading.

[VER ESTE PASO - 53:15](#)

PASO 7 DE 9

Glue the tassel to the top of the bauble circle. Position it centrally at the top point of the bauble design.

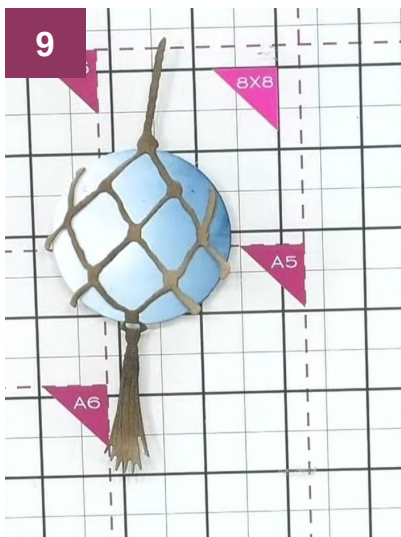

[VER ESTE PASO - 53:30](#)

PASO 8 DE 9

Glue the wrap piece around the bauble, ensuring the decorative knobbles extend beyond the circle edge to create a realistic wrapped effect.

[VER ESTE PASO - 53:45](#)

PASO 9 DE 9

Position the finished bauble with the teal and brown lattice design onto your card base. The bauble can be mounted as a centrepiece or used as a standalone embellishment for your project.

[VER ESTE PASO - 54:15](#)

CONSEJOS DEL PROGRAMA

- The decorative knobbles on the wrap piece are designed to extend beyond the circle, creating the illusion that the wrap is going around the bauble.
- You can create baubles in any colour theme to match your Christmas card designs.
