Tarjeta con piña por capas y detalles en relieve

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - MY PODCAST - 24 DE OCTUBRE DE 2023

EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create a stunning winter card featuring a realistic three-dimensional pine cone with embossed detail. The design combines die-cut layers with lifted flaps to create depth and dimension, complemented by evergreen foliage and a watercolour background. This elegant card uses layering and embossing techniques to achieve a beautiful festive centrepiece with the word 'JOY'.

PASO A PASO

1

PASO 1 DE 10

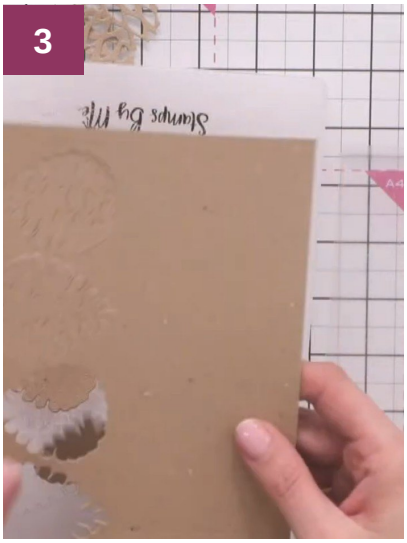
Cut out the base branch layer from craft card using the die plate. Run the die through your die-cutting machine to create the branch shape.

VER ESTE PASO - 22:30

PASO 2 DE 10

Cut out the first layering piece from the die set. This piece features embossed detail lines and small flaps around the edges.

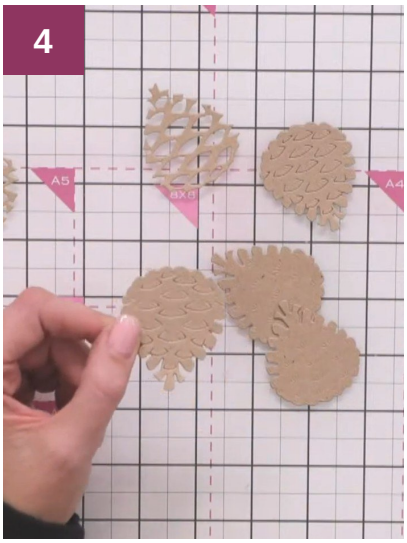
VER ESTE PASO - 23:30



PASO 3 DE 10

Ink the base layer of the pine cone with brown distress ink (ground espresso and vintage photo) to add colour and depth. Apply the ink using an ink blending tool or sponge, working over the embossed details.

VER ESTE PASO - 24:15



PASO 4 DE 10

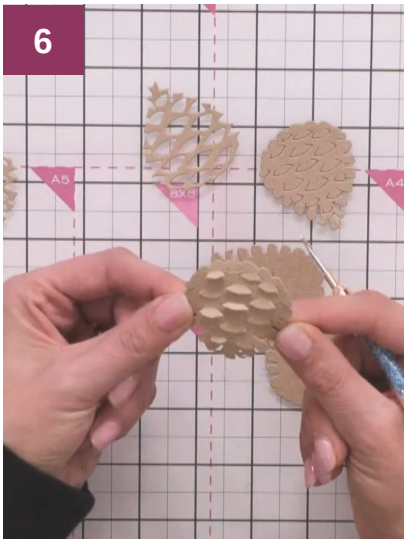
Apply glue randomly to the back of the first pine cone layer. Avoid precise placement for a natural look.

VER ESTE PASO - 25:45

PASO 5 DE 10

Adhere the first layer to the base layer, ensuring the flaps align with the holes in the base. Press firmly to secure the pieces together.

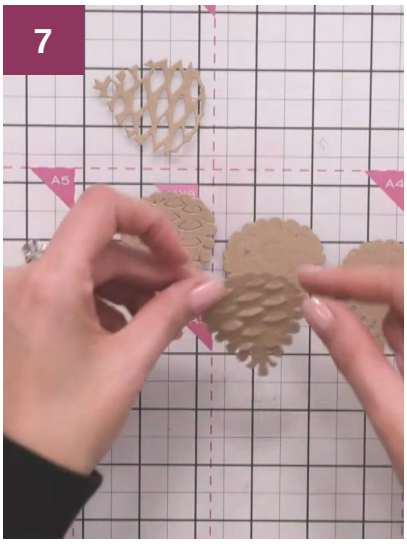
VER ESTE PASO - 26:00



PASO 6 DE 10

Turn the pine cone piece over and use a pokey tool to push the embossed flaps through to the front, creating a dimensional effect.

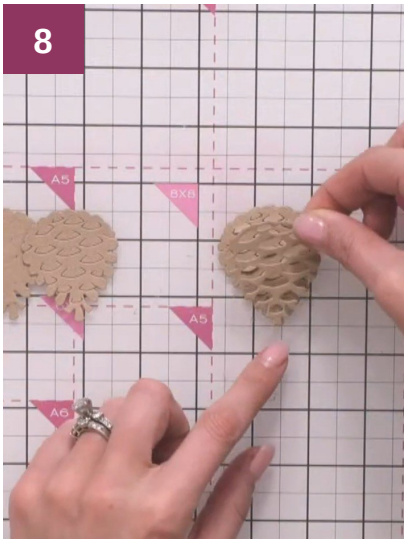
VER ESTE PASO - 26:15



PASO 7 DE 10

Gently pinch the sides of each pine cone piece to create a subtle curve, giving them dimension.

VER ESTE PASO - 26:45



PASO 8 DE 10

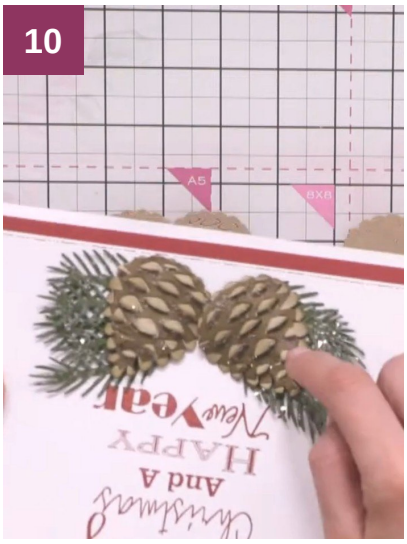
Apply glue to the back of the second textured pine cone layer, being careful to avoid the lifted scale flaps that create the dimensional effect.

VER ESTE PASO - 27:00

PASO 9 DE 10

Adhere the second pine cone layer to the base layer on the card, allowing the edges to sit slightly unevenly for a natural, dimensional appearance.

VER ESTE PASO - 27:30



PASO 10 DE 10

Layer the pine cone die-cuts onto your card, positioning them as desired. Add white ink or sparkle to the edges of the raised pine cone scales to create a snow effect.

VER ESTE PASO - 28:00

CONSEJOS DEL PROGRAMA

- Do not worry about precise alignment; the sporadic edges give the pine cone a more realistic appearance.
- The dies come on plates so no pieces go missing, unlike traditional separate die components.
- You can build up the design further by adding foliage, greenery, and berries if desired.
