EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create a vibrant greeting card featuring a colourful rainbow background with an embossed 'lovelove' sentiment. Using ink pads and mica sprays, you'll build up layers of pink, orange, yellow, green and purple tones, then add a bold black embossed word pattern highlighted with white ink to make the text stand out beautifully against the busy, artistic background.

CONSEJOS DEL PROGRAMA

- Always work with sprays over a spray box to contain the mist and protect your work surface.
- The mica in the spray adds a lovely shine to your background and helps blend the ink colours together.
- You can intensify the embossed design by running it through the machine twice with the same ink pad.
