

Triple Embossed Heart Card with Mixed Metallics

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE TOGETHER CLUB CHAPTER 3 - 3 OCTOBER 2023...

SOBRE ESTE PROYECTO

Create a stunning square card featuring a heart made from glittering stars in mixed metallic tones of rose gold, gold and bronze. The heart is embossed using a stencil and die-cutting machine, then enhanced with sticky ink and multiple layers of metallic embossing powder for a beautiful raised, textured effect. A white panel frames the design, with a gold glitter ribbon and heart embellishment adding the perfect finishing touches.

PASO A PASO

1

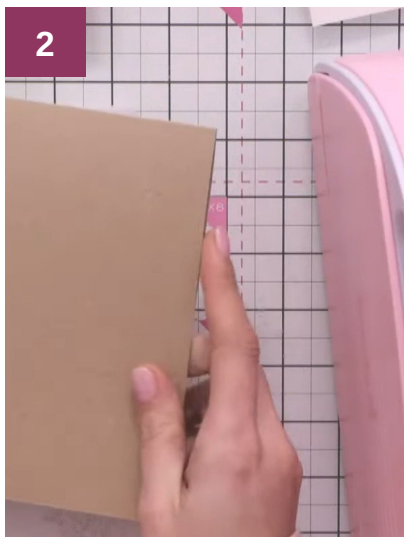

PASO 1 DE 12

Place a card blank underneath your white card on the die-cutting mat as a shim. This helps the stencil emboss properly into the cardstock.

[VER ESTE PASO - 3:15](#)

2

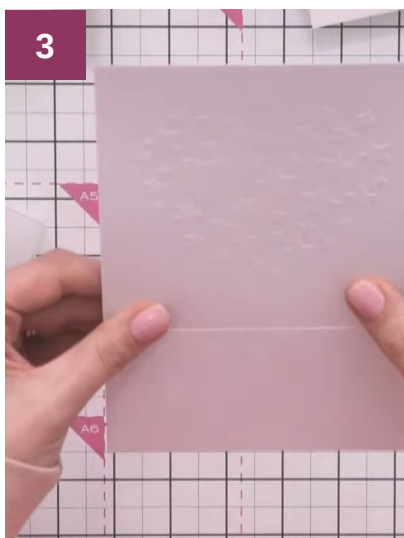

PASO 2 DE 12

Position your heart stencil on top of the kraft card. Run the card and stencil through the die-cutting machine without forcing it to emboss the heart design.

[VER ESTE PASO - 3:45](#)

3

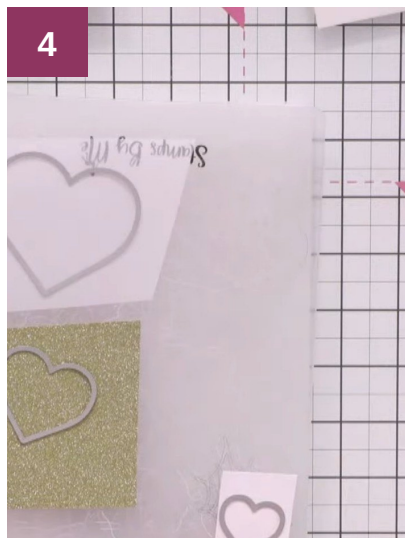

PASO 3 DE 12

Open the card and examine the embossed heart detail that has come through from the stencil. The pattern should be clearly visible on the card surface.

[VER ESTE PASO - 5:15](#)

4

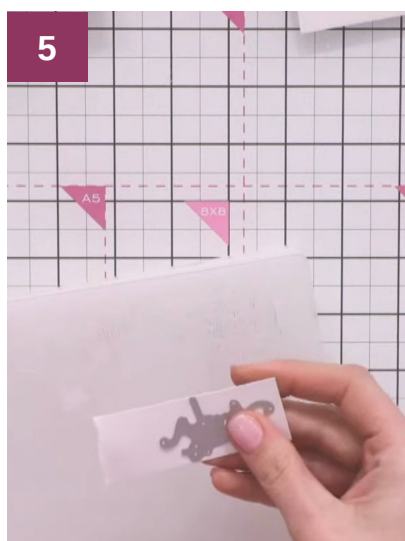

PASO 4 DE 12

Die-cut three hearts in different sizes: one from plain vellum, one from gold glitter card, and one from white card.

[VER ESTE PASO - 6:00](#)

5

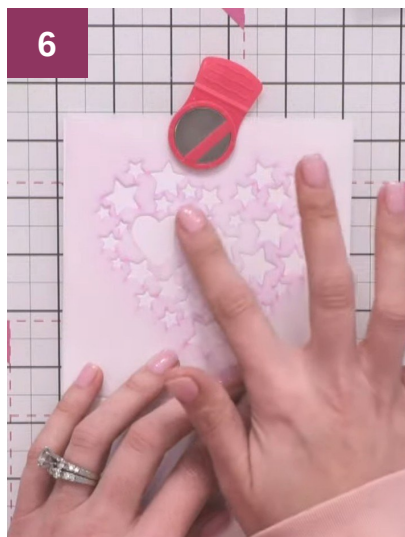

PASO 5 DE 12

Die-cut your chosen sentiment word from white card using the appropriate die from your set.

[VER ESTE PASO - 8:45](#)

6

PASO 6 DE 12

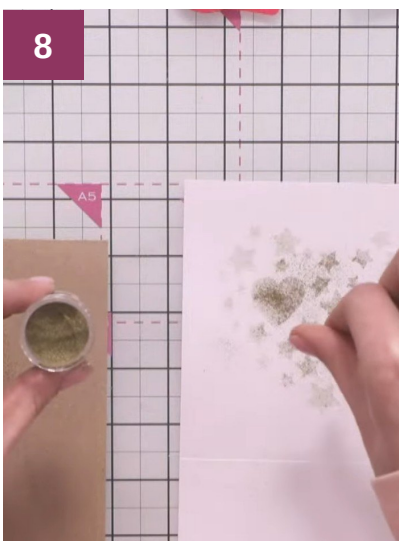

Place the stencil back over the embossed heart detail on your card, aligning it carefully with the embossed pattern.

[VER ESTE PASO - 10:15](#)

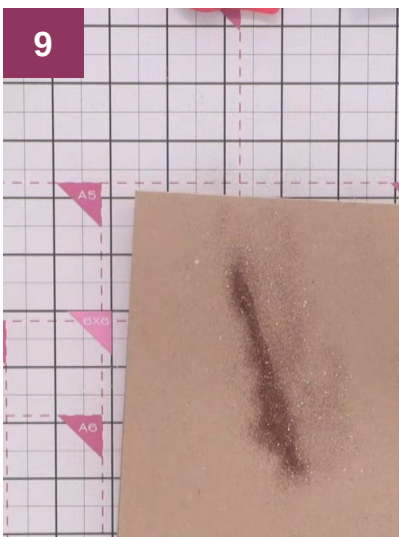

PASO 7 DE 12

Using a sticky ink pad, gently dab over the raised embossed snowflake design to ink the raised areas. Work carefully to ensure even coverage across the embossed pattern.

[VER ESTE PASO - 10:30](#)

PASO 8 DE 12

Sprinkle gold embossing powder onto the sticky embossing ink on your card. Shake off the excess powder onto a separate piece of paper to reveal the embossed design with gold glitter and stars.

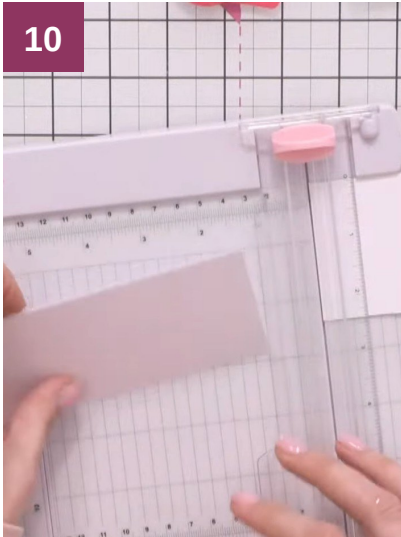

[VER ESTE PASO - 12:15](#)

PASO 9 DE 12

Heat set the embossing powder with a heat gun until it's fully melted and shiny. Move the heat gun slowly over the design to ensure even coverage.

[VER ESTE PASO - 14:30](#)

10

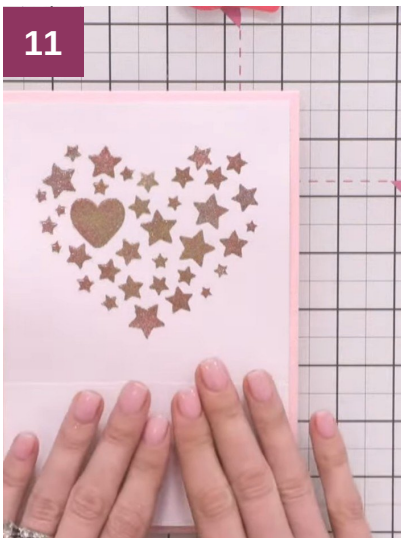

PASO 10 DE 12

Cut a white panel to place horizontally across the centre of your card to hide the stencil line.

[VER ESTE PASO - 17:30](#)

11

PASO 11 DE 12

Adhere the white panel down the centre of the pink card base.

Layer the vellum heart with stars on top, followed by the gold heart, and finish with your sentiment word.

[VER ESTE PASO - 19:00](#)

12

PASO 12 DE 12

Add sequins around the design if desired. Your triple embossed heart card with mixed metallics is now complete and ready to display.

[VER ESTE PASO - 23:00](#)

CONSEJOS DEL PROGRAMA

- Never force anything through your die-cutting machine; use shims (extra card layers) to help stencils emboss without jamming.
- The salt and pepper technique of sprinkling embossing powder creates a mixed, distressed look that catches the light beautifully.
- Use the sticky ink pad on the raised embossed detail to create a double or triple emboss effect similar to glitter paste.
