

Red and Gold Poinsettia Watercolour Card

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - MONDAY PODCAST - 2 DE OCTUBRE DE 2023

SOBRE ESTE PROYECTO

Create a traditional Christmas card featuring stunning poinsettias in rich reds and burgundy tones with elegant gold metallic accents. Using a two-part lamination stamping technique, you'll achieve a beautiful hand-painted watercolour effect that brings these festive flowers to life. This sophisticated design combines classic Christmas colours with a contemporary watercolour style for a truly special handmade card.

PASO A PASO

1

PASO 1 DE 12

Cut a square piece of white card stock for your card base. Position it on your cutting mat with the solid portion at the top.

[VER ESTE PASO - 10:45](#)

2

PASO 2 DE 12

Place the solid portion of the lamination stamp onto your acrylic block and ink it up with red ink.

[VER ESTE PASO - 11:00](#)

3

PASO 3 DE 12

Spray the stamped poinsettia with water to blend the inks. Allow the colours to merge and create depth, then set aside to dry.

[VERLOS TODOS](#)

PASO 4 DE 12

Spray the inked stamp with water three times to activate the watercolour effect. Hold the spray bottle at a distance and apply light, even sprays across the stamped image.

[VER ESTE PASO - 11:30](#)

PASO 5 DE 12

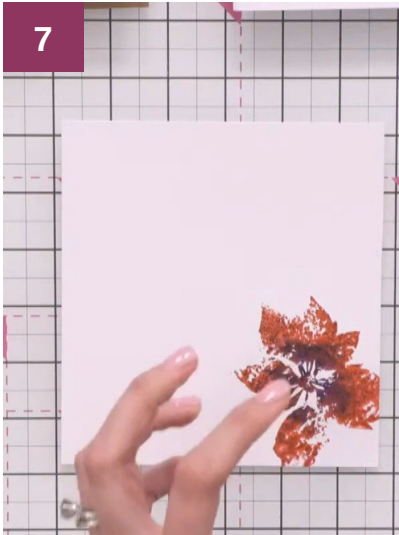

Press the stamp firmly onto your white card and allow the ink to be absorbed. Tap off any excess with your finger to remove the stamp cleanly.

[VER ESTE PASO - 12:00](#)

PASO 6 DE 12

Repeat the stamping process with the poinsettia stamp in different areas of the card to build up a bouquet arrangement. Press the stamp firmly onto the card and lift carefully to reveal the orange and glitter design.

[VER ESTE PASO - 12:30](#)

PASO 7 DE 12

Allow the card to dry completely before proceeding to the next step. The burgundy and metallic copper poinsettia should be fully set on the pale pink cardstock.

[VER ESTE PASO - 13:00](#)

PASO 8 DE 12

Use an antistatic bag to remove any moisture from the card surface before proceeding.

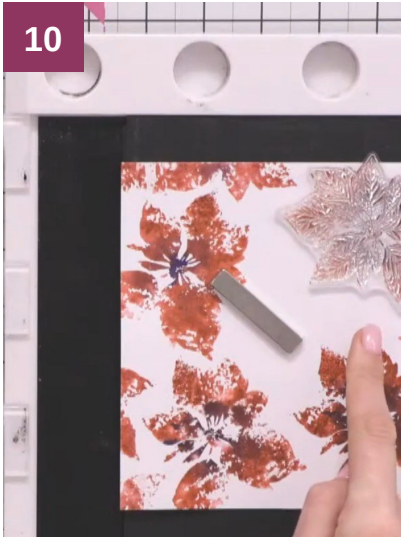

[VER ESTE PASO - 23:15](#)

PASO 9 DE 12

Ink up the outline portion of the lamination stamp using the gold metallic sticky ink pad. Apply the ink evenly to ensure good coverage on the stamp.

[VER ESTE PASO - 23:30](#)

10

PASO 10 DE 12

Stamp the outline detail over the watercoloured poinsettias using the Merry and Bright stamp set. Offset the stamping slightly from the watercolour to create a hand-painted effect.

[VER ESTE PASO - 24:00](#)

11

PASO 11 DE 12

Sprinkle embossing powder over the stamped floral design on the card. Ensure the powder covers all the stamped areas evenly.

[VER ESTE PASO - 24:30](#)

12

PASO 12 DE 12

Heat set the embossed detail with a heat gun, holding it over the card until the embossing powder melts and sets to a shiny finish.

[VER ESTE PASO - 29:00](#)

CONSEJOS DEL PROGRAMA

- Spray the stamp twice or three times depending on how much watercolour bleed you prefer.
- The lamination stamp pieces do not need to line up perfectly; the offset creates a realistic hand-painted look.
- Always ensure your design is completely dry before stamping the outline detail, or the ink will not transfer properly.
