

Cajita de chuches fantasma con adornos

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - THE ART OF CARDISTRY - 2 DE OCTUBRE DE 2023

SOBRE ESTE PROYECTO

Create a delightful Halloween ghost treat box with moveable arms that can hold small gifts or sweets. This charming project features a white ghost character with glittery bandage details, spiderweb embellishments, and an orange bow accent. The box is constructed using die-cutting, scoring and folding techniques, then decorated with coordinating Halloween motifs for a fun interactive display.

PASO A PASO

PASO 1 DE 13

Die-cut two ghost character pieces from white cardstock using the outline die from the Jasper, Matilda & Luna Ghost Collection. Cut the pieces to size using scissors.

2

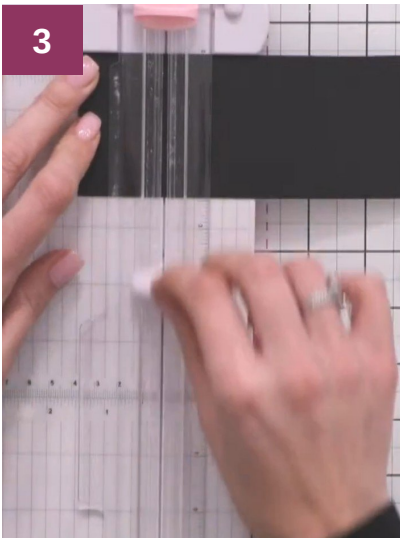

PASO 2 DE 13

Take a piece of white card measuring 6 inches by 2.5 inches (or 15 cm by 6 cm). This will form the base of your ghost treat box.

3

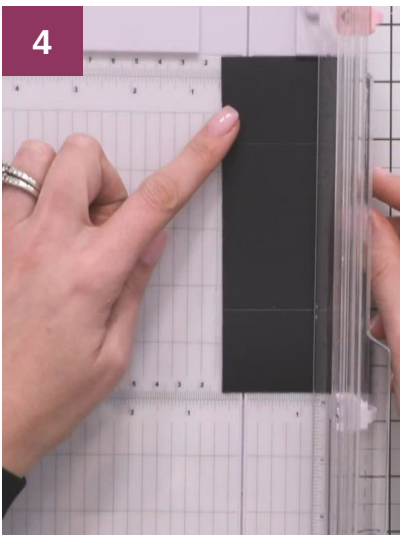

PASO 3 DE 13

Place the black card on your scoreboard with the left edge aligned at 1.5 inches. Use your score tool to score a line down the length of the card at this measurement.

4

PASO 4 DE 13

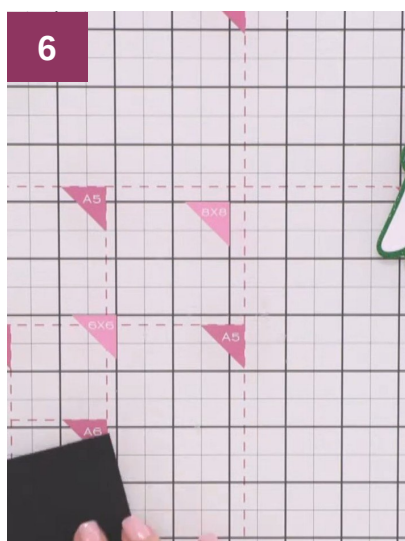

Turn the card portrait orientation and score at 1.5 cm (half an inch) from the opposite end using your scoreboard.

[VER ESTE PASO - 35:45](#)

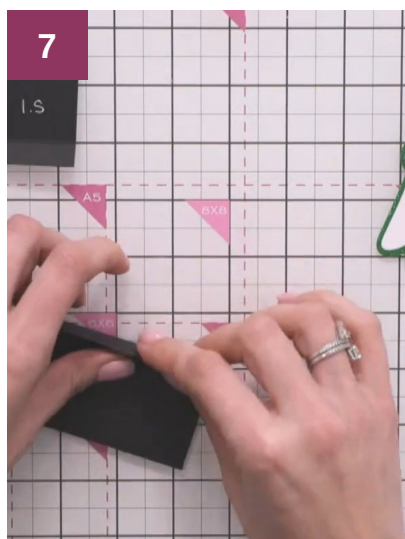

PASO 5 DE 13

Using your scoreboard, score half an inch (approximately 1.3 cm) down each long side of the black card whilst in portrait orientation. This creates the side panels for your box.

[VER ESTE PASO - 36:00](#)

PASO 6 DE 13

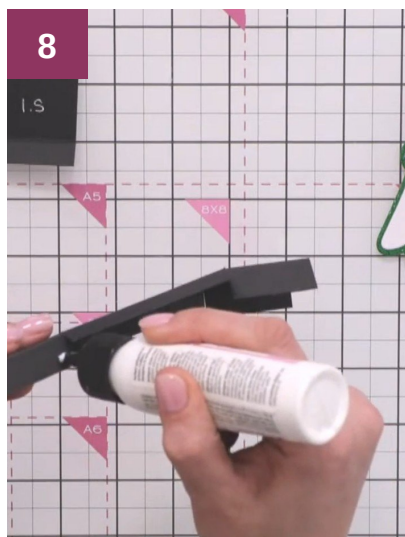

Turn the black card 180 degrees and score at 1.5 cm (half an inch) from the opposite edge, parallel to your first score line.

[VER ESTE PASO - 36:15](#)

PASO 7 DE 13

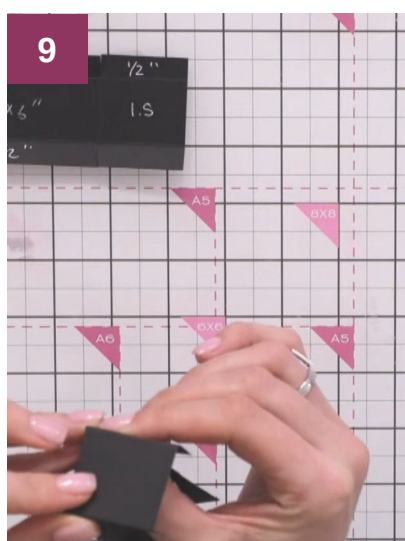

Snip into the score lines at the corners of the black card to create flaps for folding. Make small cuts where the score lines meet to allow the box to fold properly.

[VER ESTE PASO - 37:00](#)

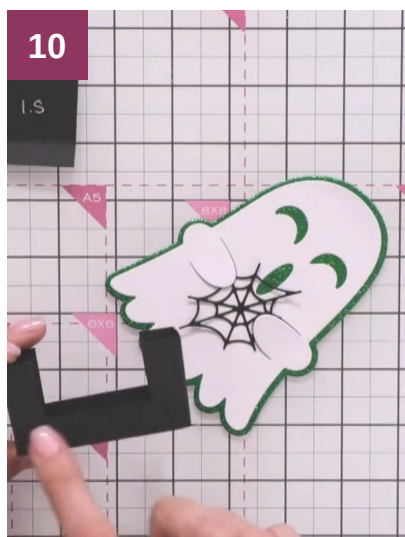

PASO 8 DE 13

Fold the black card into a box shape. Apply glue to the side flaps and attach them on the inside to create the box structure.

[VER ESTE PASO - 37:30](#)

PASO 9 DE 13

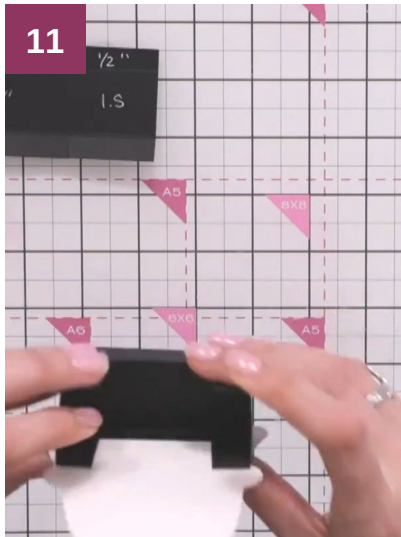

Apply glue to the back of one of the ghost characters. Position and adhere it to the front of the assembled box base.

[VER ESTE PASO - 38:00](#)

PASO 10 DE 13

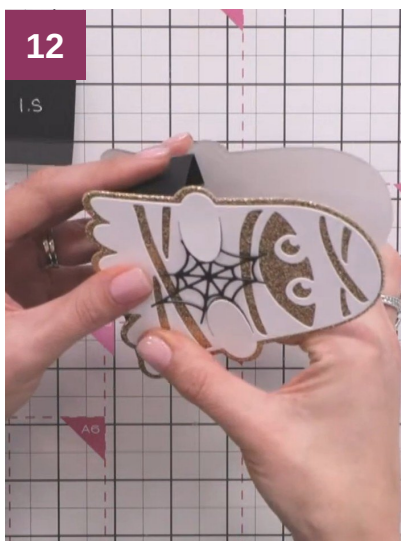

Apply adhesive to the back of the second ghost character piece (with green glitter outline and spider web detail). Attach it to the back of the black box base, aligning it carefully.

[VER ESTE PASO - 40:00](#)

PASO 11 DE 13

Die-cut embellishments such as spiderwebs or bat bows from the glitter cardstock included in the kit. Use the dies provided to create decorative elements for your ghost treat box.

[VER ESTE PASO - 40:30](#)

PASO 12 DE 13

Glue embellishments into the ghost's raised hands or onto the box as desired. Position decorative elements such as the spider web or other motifs to add character to your ghost treat box.

[VER ESTE PASO - 42:00](#)

PASO 13 DE 13

Fill the completed ghost treat box with small sweets, treats or gifts. Display your finished ghost box on a table or shelf as a festive Halloween decoration.

CONSEJOS DEL PROGRAMA

- The ghost arms pop up, allowing you to insert gifts, treats, or even a small tealight inside.
- If you use Vellum for the ghost instead of cardstock and place a tealight inside, it will flicker through the Vellum to create a ghostly effect.
- You can make the base of the box slightly wider to accommodate a tealight candle.
