[VER ESTE PASO - 35:00](#)

8

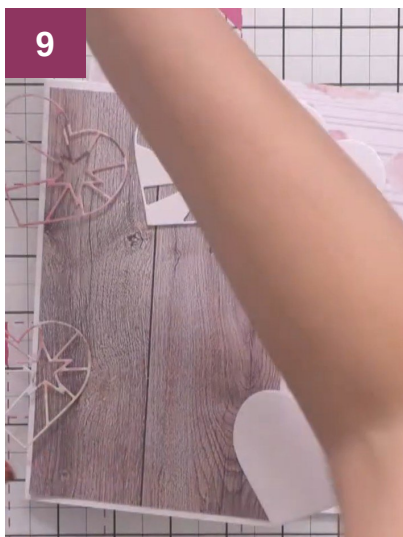

PASO 8 DE 10

[VER ESTE PASO - 36:00](#)

9

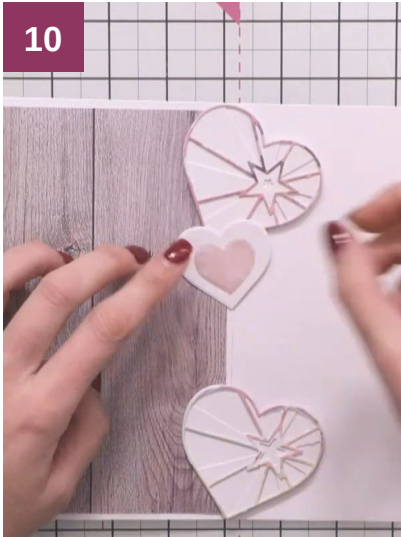

PASO 9 DE 10

Glue the decorative hearts onto the die-cut hearts to add dimension and colour. Position them carefully to ensure they are centred on each die-cut heart.

10

PASO 10 DE 10

Add small star embellishments or other decorative details to fill any plain areas on your card. Position them to balance the design and add visual interest to empty spaces.

CONSEJOS DEL PROGRAMA

- Mix and match different sized hearts to create visual interest along the card edges.
- You can use just the outline hearts if you prefer a simpler design without full layering.
- This technique creates a unique shaped card without needing a special die-cutting machine.
