SOBRE ESTE PROYECTO

Create a beautiful Christmas card featuring a charming winter cabin scene with white poinsettias and festive foliage. The design uses a pre-printed mount embellished with fussy-cut decorative elements and colourless glitter to create a snowy, frosted glass effect. Layer the cabin scene with coordinating patterned paper and finish with an 'Always Grateful' sentiment for a heartfelt seasonal greeting.

1

PASO 1 DE 12

Select a pre-printed mount from the celebration box. Trim a small amount from the top and bottom edges of the mount.

2

PASO 2 DE 12

Cut a sheet of patterned paper from your kit. Fussy-cut loosely around the detailed floral design, keeping curves rather than points for a softer appearance.

[VER ESTE PASO - 1:00](#)

3

PASO 3 DE 12

Adhere the fussy-cut floral patterned paper onto your white card base using adhesive, positioning it in the top right corner to create a decorative frame around the cabin image.

[VER ESTE PASO - 2:45](#)

4

PASO 4 DE 12

Apply clear-drying glue to the roof of the cabin image. Whilst the glue is still wet, sprinkle colourless glitter over the glued area to create a snowy effect.

[VER ESTE PASO - 4:30](#)

5

PASO 5 DE 12

Apply glue to the base of the cabin, around the windows, tree tops, log burner, and steps. Add glitter to these areas to simulate snow coverage.

[VER ESTE PASO - 5:00](#)

6

PASO 6 DE 12

Apply colourless glitter to the greenery elements on the card using a glitter glue pen. Avoid applying glitter to the flowers to keep the design from becoming too sparkly.

[VER ESTE PASO - 6:30](#)

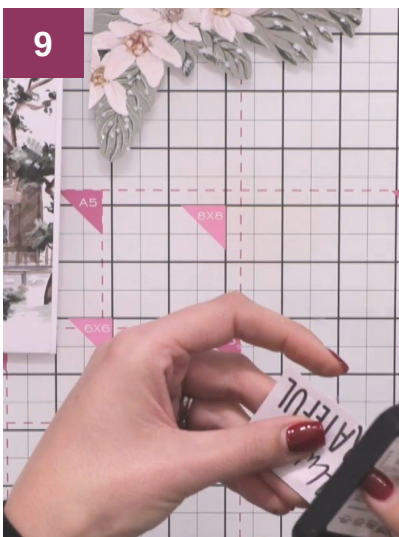

PASO 7 DE 12

Stamp an 'Always Grateful' sentiment onto a scrap piece of coordinating card stock using a black ink pad to match the colour tone of your card.

[VER ESTE PASO - 7:15](#)

PASO 8 DE 12

Cut out the 'Always Grateful' sentiment and mat it onto a small piece of green card to coordinate with the winter scene design.

[VER ESTE PASO - 8:00](#)

PASO 9 DE 12

Ink the edges of the 'Always Grateful' sentiment panel using a vintage-coloured distress ink pad to add depth and tie in with the cabin theme.

[VER ESTE PASO - 8:45](#)

10

PASO 10 DE 12

Create a backing pad by layering scraps of black card stock together. Apply tape to secure the layers and build up thickness for dimensional mounting.

[VER ESTE PASO - 10:00](#)

11

PASO 11 DE 12

Trim the backing pad to fit your card. Adhere it to the reverse of your sentiment panel using glue or double-sided tape.

[VER ESTE PASO - 11:00](#)

12

PASO 12 DE 12

Position the matted and padded sentiment reading 'Always GRATEFUL' on your card below the cabin scene, ensuring it balances the design without covering the cabin image.

CONSEJOS DEL PROGRAMA

- When fussy-cutting detailed patterns, keep your cuts to curves rather than points for a softer appearance that's easier on the eye.
- Use a glue that dries clear when applying glitter to achieve a glass-like sparkle effect rather than visible adhesive.
- Coordinate your sentiment by stamping it onto scrap card in the same colour tone as your main design elements for a cohesive look.
