SOBRE ESTE PROYECTO

Make a sophisticated slimline card featuring the Midnight Blooms collection in navy and pink with delicate floral patterns. This design showcases layered patterned papers with an ornate lace-effect border die cut and a vellum overlay with sentiment. The vellum adds elegant texture and depth to the narrow card format whilst allowing the beautiful patterns beneath to show through.

CONSEJOS DEL PROGRAMA

- If your die doesn't cut completely through textured card, leaving the pieces in place can create an attractive, dimensional effect.
- Vellum creates beautiful texture on cards and works well as a wrap or overlay element.
