PASO A PASO

1

PASO 1 DE 14

Cut an A4 sheet of white card at 3.5 inches using your guillotine or trimmer.

[VER ESTE PASO - 16:00](#)

2

PASO 2 DE 14

Score the 3.5-inch strip at 2 inches, then at 4 inches, then at 8.5 inches, and finally at 10 inches to create fold lines for your box structure.

[VER ESTE PASO - 17:30](#)

3

PASO 3 DE 14

Cut a rectangle of white card measuring 4.5 by 3.5 inches from the offcut. Glue this piece to the base of your scored piece to complete the box carcass.

[VER ESTE PASO - 19:45](#)

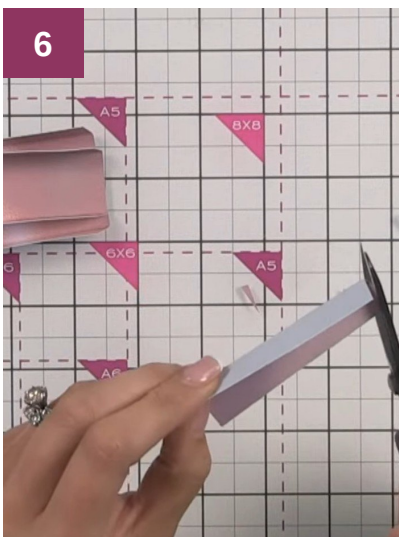

PASO 4 DE 14

Cut three strips of patterned paper from your 8x8 inch sheets at 3 inches wide to create your hinge system pieces.

[VER ESTE PASO - 22:15](#)

PASO 5 DE 14

Score each hinge strip at half an inch down the left side using your scoreboard. Turn the strip around and score half an inch on the right side to create fold lines.

[VER ESTE PASO - 25:30](#)

PASO 6 DE 14

Trim away the bulk from the corners and edges of each pink ribbon hinge piece using scissors to reduce thickness and make them easier to work with.

[VER ESTE PASO - 27:45](#)

PASO 7 DE 14

Glue the pink hinge pieces inside each other in size order, starting with the largest. Space them evenly to create the hidden hinge system for your pockets.

[VER ESTE PASO - 28:30](#)

PASO 8 DE 14

Cut six pieces of 8x8 patterned paper in half at 4 inches to create your pocket bases. Use the paper trimmer to make clean, straight cuts through each sheet.

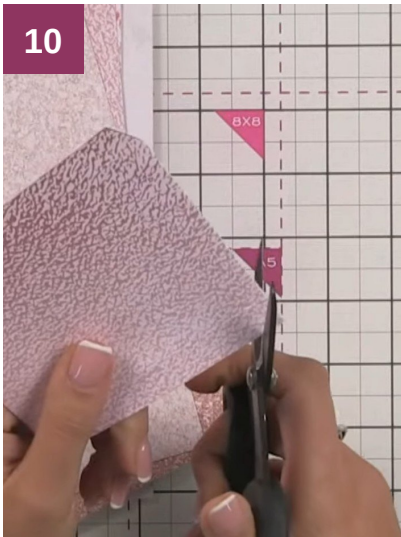

[VER ESTE PASO - 30:15](#)

PASO 9 DE 14

Score each pocket piece at 4 inches (10 cm) up from the base. Then score half an inch (1.3 cm) on the left side and half an inch on the right side to create the pocket fold.

[VER ESTE PASO - 31:30](#)

10

PASO 10 DE 14

Trim away the bulk from the pocket corners using scissors. Cut away one hinge section on each side of the pocket to prevent overhang when gluing the pieces together.

[VER ESTE PASO - 36:00](#)

11

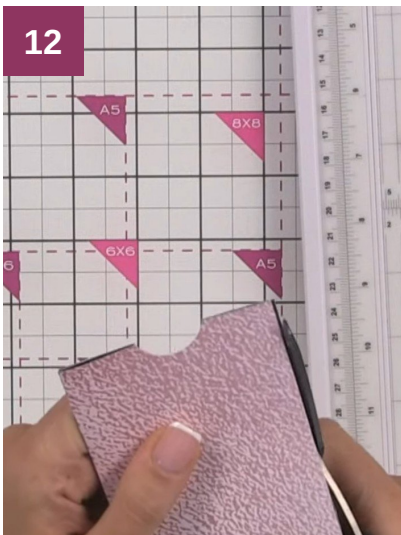

PASO 11 DE 14

Punch a decorative circle in the centre of each pocket using a 1-inch or 2-inch circle punch to create an opening for viewing the contents.

[VER ESTE PASO - 42:00](#)

12

PASO 12 DE 14

Glue each pocket onto the hinge system in your chosen order. Keep the pockets level and avoid gluing right up to the score line so the album moves freely.

[VER ESTE PASO - 49:00](#)

13

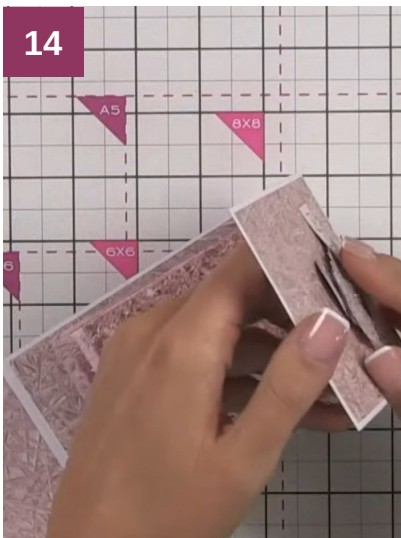

PASO 13 DE 14

Apply glue to the completed hinge system with all pockets attached and adhere it into the base of your album box, ensuring it is straight and centred.

[VER ESTE PASO - 58:00](#)

14

PASO 14 DE 14

Create a closure by punching a circle from white card and one from patterned paper. Glue the patterned circle halfway so it protrudes and can slot behind a matching circle on the front cover.

[VER ESTE PASO - 59:30](#)

CONSEJOS DEL PROGRAMA

- Don't glue your pockets right to the score line or your album won't move freely.
- Trim away bulk from hinge and pocket corners to prevent stress on the folds and ensure neat closure.
- You can embellish your pockets before or after gluing them into the album, depending on your preference.
