

Tarjeta con vestido de laminación y marco floral

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - THE INSTANT ARTIST - 1 DE JULIO DE 2023

EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create an elegant card featuring a lady in a flowing gown surrounded by beautiful floral frames. Using the two-part lamination stamp technique, you'll build up layers with watercolour-style sprays in vibrant blues, oranges and yellows, then add definition with outline stamping. The finished piece combines delicate florals with an inspiring sentiment for a truly stunning handmade card.

PASO A PASO

1

PASO 1 DE 12

Prepare two pieces of white cardstock or A2 card blanks and place them on your craft mat.

[VER ESTE PASO - 23:30](#)

2

PASO 2 DE 12

Apply teal ink to the solid portion of the lamination gown stamp, varying the pressure to create lighter and darker tones for depth and interest.

[VER ESTE PASO - 24:00](#)

3

PASO 3 DE 12

Spray the stamp with water two or three times to allow the colours to bleed together. The more water you add, the more the colours will blend.

[VER ESTE PASO - 24:30](#)

4

PASO 4 DE 12

Press the wet stamp onto your first piece of white cardstock, holding it in place to allow the blue ink to transfer and bleed onto the paper.

PASO 5 DE 12

Repeat the process with pink and orange inks on a second piece of white cardstock. Allow the colours to blend together naturally, creating a different colour variation from the first piece.

[VER ESTE PASO - 25:45](#)

PASO 6 DE 12

Allow both cards to dry completely. The blue dress card and the orange dress card should be left to dry fully before proceeding to the next step.

[VER ESTE PASO - 26:30](#)

PASO 7 DE 12

Stamp the outline portion of the gown in black ink over the dried watercolour base, carefully lining up the bodice with the coloured area.

[VER ESTE PASO - 30:00](#)

8

PASO 8 DE 12

Stamp floral elements around the gown using the floral stamp from the set. Create a frame or bouquet effect around the dress, leaving some white space for balance.

[VER ESTE PASO - 31:00](#)

9

PASO 9 DE 12

Stamp a sentiment such as 'Life is made of small moments like this' onto your card using black ink.

[VER ESTE PASO - 34:00](#)

10

PASO 10 DE 12

Optionally stamp a hat image above the gown using teal ink or another colour that complements your chosen gown colour. Position the hat stamp centrally above the dress figure.

[VER ESTE PASO - 34:15](#)

11

PASO 11 DE 12

Use a blending brush with ink to edge the card, creating a soft halo effect around the design to ground it.

[VER ESTE PASO - 37:00](#)

12

PASO 12 DE 12

Mount the finished stamped and coloured design onto a white card blank. Position the card centrally and smooth down to secure.

CONSEJOS DEL PROGRAMA

- Lamination stamps are very forgiving; slight misalignment between the watercolour and outline layers still looks beautiful and handmade.
- If you don't have a stamping press, use an acrylic block but accept that you get one shot to line it up.
- You can use the outline stamp alone on black card with white or embossing ink for a completely different look.
