

Christmas Stag Card with Embossed Background and Layered Antlers

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - ANYTHING GOES - 28 DE JUNIO DE 2023

SOBRE ESTE PROYECTO

Create this elegant Christmas card featuring a majestic white stag with dimensional antlers adorned with festive red berries. The design combines embossed background textures with die-cut layered elements and the word 'NOEL' in gold, all mounted on a kraft and white layered card base. This project uses embossing, die-cutting, and dimensional layering techniques to create a sophisticated winter scene.

PASO A PASO

1

PASO 1 DE 12

Run white cardstock through the embossing machine using the Timber embossing folder with the thickest plate sandwich to create the textured background.

[VER ESTE PASO - 6:15](#)

2

PASO 2 DE 12

Run a second piece of white cardstock through the Autumn Breeze embossing folder to create an embossed background piece with the chevron pattern.

[VER ESTE PASO - 7:00](#)

3

PASO 3 DE 12

Apply glue to the embossed background pieces. Dab tissue into the glue, then sprinkle festive glitter over the tissue to add sparkle to the embossed areas.

[VER ESTE PASO - 13:00](#)

4

PASO 4 DE 12

Once the embossed panels are dry, gently rub away any excess tissue or residue that has stuck to the card surface using your fingers.

[VER ESTE PASO - 14:30](#)

5

PASO 5 DE 12

Die-cut the stag head from the Joyeux Noel die set using both white and craft cardstock to create layered pieces for dimension.

[VER ESTE PASO - 18:00](#)

6

PASO 6 DE 12

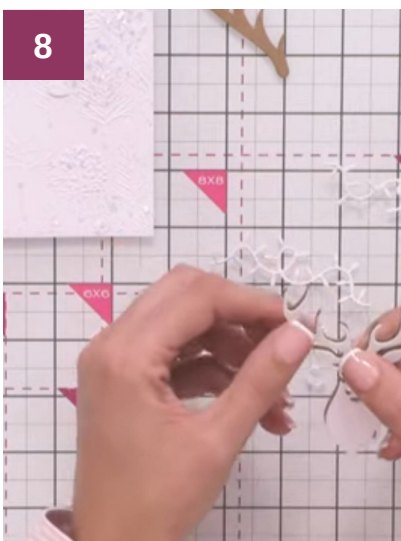

Die-cut the extended antlers from white cardstock. Cut multiple sets of the antlers to build up dimension for layering.

[VER ESTE PASO - 20:00](#)

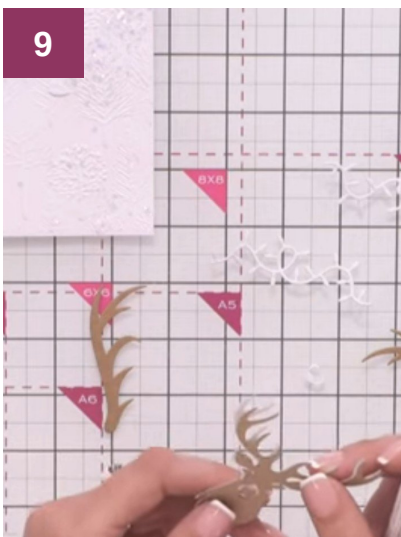

PASO 7 DE 12

Die-cut the light formation pieces from white cardstock. These decorative elements will be positioned to intertwine with the stag's antlers on your card.

[VER ESTE PASO - 20:30](#)

PASO 8 DE 12

Glue the craft-coloured stag head to the white stag head, positioning it slightly to the right to create a drop shadow effect. Leave the antler area free for later placement.

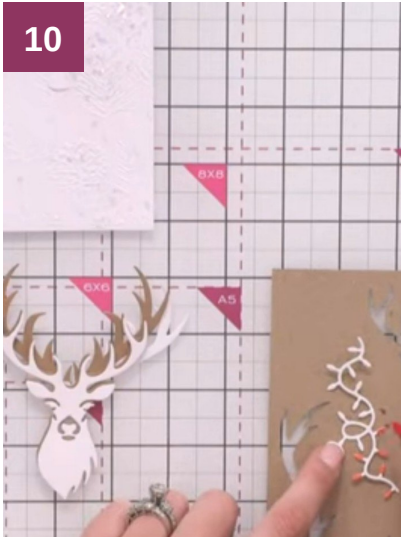

[VER ESTE PASO - 25:00](#)

PASO 9 DE 12

Glue the white antler pieces behind the stag head, offsetting them slightly to create dimension and a layered mane effect.

[VER ESTE PASO - 26:00](#)

10

PASO 10 DE 12

Using red pens, colour the tips of the light bulbs on the light formation die-cut pieces to create a festive effect.

[VER ESTE PASO - 28:30](#)

11

PASO 11 DE 12

Position and glue the light-coloured antler pieces into the gaps between the kraft antlers, tucking them in to create an intertwined, layered effect.

[VER ESTE PASO - 30:00](#)

12

PASO 12 DE 12

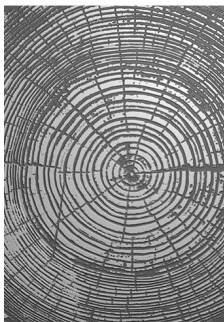

Mount the completed stag onto the embossed background card base using small foam pads made from scrap cardstock to add dimension.

[VER ESTE PASO - 31:00](#)

CONSEJOS DEL PROGRAMA

- Use the thickest plate with embossing folders in the machine for proper sandwich setup.
- If tissue sticks to the card when applying glitter, it will rub off once the glue dries.
- You can build the stag design with multiple layers to create depth, or keep it simpler depending on your preference.
