3

PASO 3 DE 9

4

PASO 4 DE 9

Gently pinch and nudge the foliage and texture elements of the die-cut floral arrangement to add subtle dimension. Use your fingers to carefully shape the petals and leaves, creating a more three-dimensional appearance.

PASO 7 DE 9

Stamp a sentiment onto white cardstock using black ink.

VER ESTE PASO - 39:00

Mount the completed layered panel onto a folded white card base. Position the panel centrally and secure with adhesive foam pads for dimension.

CONSEJOS DEL PROGRAMA

- Pinch and nudge foliage elements to add subtle dimension without using foam pads.
- Off-centre placement and asymmetrical layouts are more forgiving in design than centred arrangements.
- Leave some areas of the design uncoloured to create a softer, more elegant appearance.
