3

PASO 3 DE 7

Fussy cut additional floral corner elements from the spare topper sheets. Cut carefully around the pink and grey roses and foliage to create layered corner decorations.

PASO 4 DE 7

Layer the fussy-cut floral elements onto the corners of the card using foam pads to add dimension. Position the pink roses and foliage pieces over the stamped images on each corner.

[VER ESTE PASO - 44:15](#)

PASO 5 DE 7

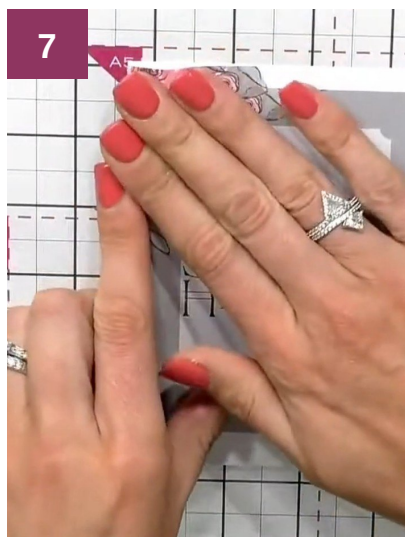

Position one of the fussy-cut floral elements so it extends from the corner arrangement to the edge of the card, creating a flowing design. The delicate font sentiment can be placed in the central white space.

[VER ESTE PASO - 44:45](#)

PASO 6 DE 7

Add another fussy-cut floral element from the Charcoal Roses toppers to the opposite corner of the card for balance. Position it to complement the first corner element.

[VER ESTE PASO - 45:15](#)

PASO 7 DE 7

Save all the small fussy-cut pieces that you trim away from the edges of your card, as these can be used elsewhere in your designs.

CONSEJOS DEL PROGRAMA

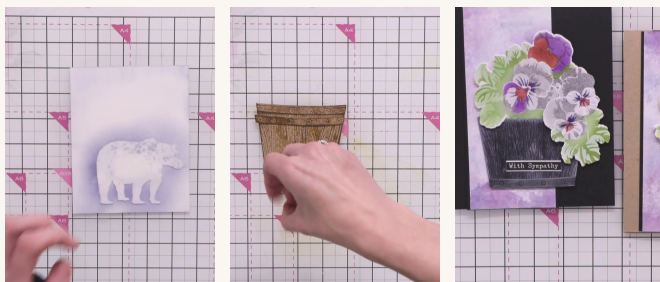

- Don't be scared to cut into the toppers—you get a ton of each design.
- Extending fussy-cut elements to the card edge creates a more dynamic, professional look.
- The delicate font of the sentiment won't appear too harsh even in black ink.
