EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create an elegant urban street scene card featuring a silhouetted figure with umbrella and their reflection below. Using the Dance in the Rain stamp set with the Urban Life Day paper collection, you'll craft a sophisticated monochrome design against a soft, atmospheric cityscape backdrop. The technique combines stamping with embossing powder to achieve a striking silhouette effect that captures movement and mood.

PASO A PASO

1

PASO 1 DE 6

Select a piece from the Urban Life Day paper collection featuring the Parisian street scene as your card base.

2

PASO 2 DE 6

Ink up the entire Dance in the Rain stamp with black ink. Stamp it half on and half off the paper to create a realistic composition, positioning it so part of the image extends beyond the edge of the paper.

3

PASO 3 DE 6

Re-ink just the top portion of the stamp to make the silhouette more solid and defined at the top.

PASO 4 DE 6

Using a gel pen, work on the reflection area at the bottom of the image. Keep the reflection slightly patchy and jaded to create a realistic water reflection effect.

PASO 5 DE 6

Optional: Use a gel pen to add highlights and details to your silhouette, such as defining the umbrella or adding subtle colour accents to enhance the design.

PASO 6 DE 6

Add a sentiment to complete your card. Position the 'Today is all about you' text at the bottom of the street scene card, ensuring it complements the reflection theme.

CONSEJOS DEL PROGRAMA

- Position the stamp off to the side rather than centred to create a more realistic and artistic composition.
- The reflection naturally looks distorted and jaded at the bottom, which is authentic to how reflections appear in water.
- You can use gel pens to add selective colour and definition to specific elements like the umbrella without colouring the entire design.
