

Tarjeta de monstruo con apertura de bisagra

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - MONDAY MADNESS - 22 DE MAYO DE 2023

SOBRE ESTE PROYECTO

Create a delightful 3D monster character card with a hinged opening mechanism. This playful design features a colourful die-cut monster body with googly eyes, white teeth, and small horns, alongside a circular scene containing another monster character with the sentiment 'YOU'RE OUT OF THIS WORLD'. The main techniques include die-cutting, layering decorative papers, and assembling a concealed hinge to create an interactive standalone card.

PASO A PASO

PASO 1 DE 12

Fold a blank black card in half to create a deep crease. Position the monster die over the card so it overhangs slightly on one side to create the opening edge.

PASO 2 DE 12

Place the monster outline die on the black card and run it through the die-cutting machine. Remove the cut-out monster shape and glue it to the top of the white lined panel.

[VER ESTE PASO - 36:30](#)

PASO 3 DE 12

Cut a second monster shape from black card using the die. This will form the complete base layer for your hinged character card.

PASO 4 DE 12

Apply adhesive tape along the edges of the black monster body pieces to secure them together, forming the complete monster shape.

[VER ESTE PASO - 37:45](#)

5

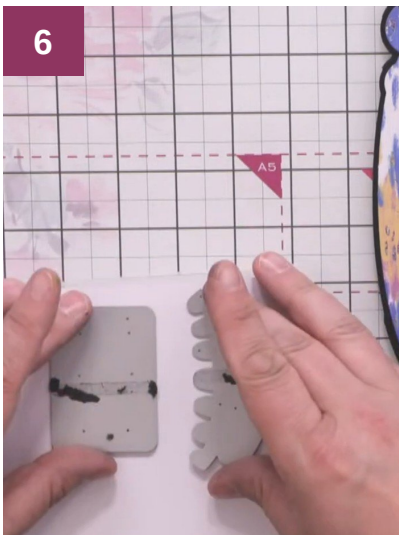

PASO 5 DE 12

Die cut the monster body from the multicoloured splodgy patterned paper. Adhere the die-cut body onto the black card base.

PASO 6 DE 12

Die cut the teeth from white card using the teeth die. Selectively remove some individual teeth from the strips. Position and glue the teeth strips at playful angles under the mouth opening on the monster card.

[VER ESTE PASO - 40:00](#)

PASO 7 DE 12

Die cut a black circle from black card. Position and attach the black circle in the centre of the monster's face to create a base for the eyes.

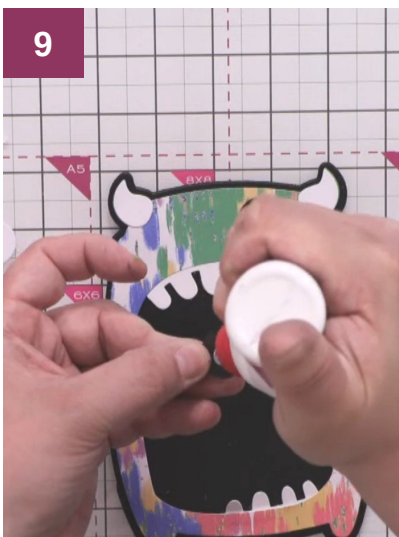

[VER ESTE PASO - 41:30](#)

PASO 8 DE 12

Position the horn pieces at the top corners of the monster head. Apply glue to secure them in place, ensuring they are evenly spaced.

[VER ESTE PASO - 43:00](#)

PASO 9 DE 12

Glue the white eye pieces onto the black circle, positioning them at different heights and angles to create a wonky, expressive monster face.

PASO 10 DE 12

Using the stamping platform, stamp a sentiment from the monster stamp set onto white card using black ink. Choose a phrase such as 'Surprise' or another appropriate greeting.

11

PASO 11 DE 12

Trim around the 'SURPRISE!' sentiment piece with an abstract edge. Glue it onto a black card scrap and trim around it again, leaving a narrow black border to create a framed effect.

[VER ESTE PASO - 45:15](#)

12

PASO 12 DE 12

Attach the sentiment piece to the monster using a foam pad to raise it up. Position it under the monster's arm as if the monster is holding it.
