UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - CREATE AND CRAFT TV - 19 DE MAYO DE 2023

SOBRE ESTE PROYECTO

Create a beautiful card featuring textured foundation paper that creates a mirrored effect, layered with navy patterned paper and adorned with delicately embossed floral elements. The design is enhanced with pink and purple confetti ink accents on the roses and leaves, creating a soft, romantic finish. This project demonstrates how to combine eco-friendly textured papers with stamping and embossing techniques for an elegant, dimensional card.
