

Watercolour Paper Background Card with Maple Leaf Halo Stencil

UN PROYECTO DE NUESTRO PROGRAMA EN DIRECTO - MONDAY PODCAST - 8 DE MAYO DE 2023

EL PROYECTO TERMINADO

SOBRE ESTE PROYECTO

Create a stunning card featuring a beautiful watercolour floral background with a dramatic black silhouette maple leaf halo overlay. This elegant design combines pre-printed creative watercolour papers in soft pinks, purples and teals with bold black stencilled leaves, finished with a 'made with Style' sentiment. The layered effect looks intricate and time-consuming, but the gorgeous papers and simple stencilling technique make it surprisingly quick to achieve.

PASO A PASO

PASO 1 DE 11

Select one of the creative watercolour papers from the pack and trim it down to fit your card base, leaving a narrow border for matting.

[VER ESTE PASO - 46:30](#)

PASO 2 DE 11

Mount your watercolour paper piece onto black cardstock using adhesive. This creates a border that makes the design pop from the page.

[VER ESTE PASO - 46:45](#)

PASO 3 DE 11

Position the maple leaf stencil over your watercolour paper design, ensuring it is centred and covers the desired area of the decorative background.

[VER ESTE PASO - 47:00](#)

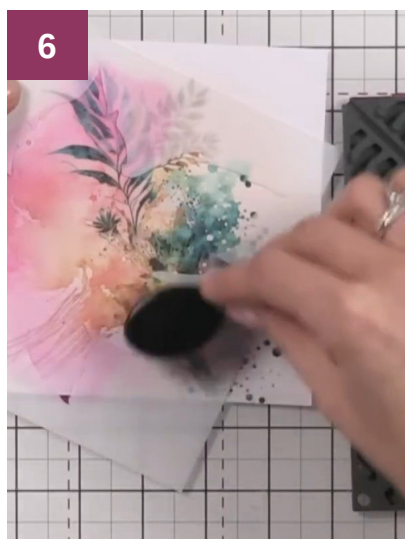

PASO 4 DE 11

Using a mini ink pad or blending brush, apply pink ink to the maple leaf stencil. Position the stencil on your card and brush the ink over the design.

[VER ESTE PASO - 48:00](#)

PASO 5 DE 11

Stamp the leaf images around the watercolour bird design to create a halo effect. Use the leaf stamps to frame the pre-printed design on the paper.

[VER ESTE PASO - 48:15](#)

PASO 6 DE 11

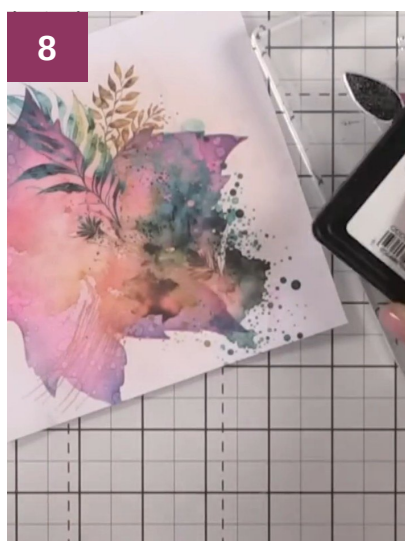

Lightly spray the stamped leaf with water using a fine mist spray to create a soft, reactive watercolour effect on the paper.

[VER ESTE PASO - 52:30](#)

PASO 7 DE 11

Use a tissue or cloth to dab away excess water from the watercolour design, blending the pink, peach and floral colours together smoothly.

[VER ESTE PASO - 53:00](#)

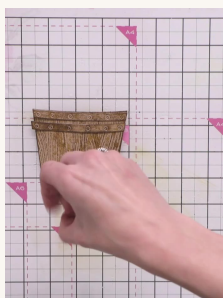

PASO 8 DE 11

Ink the solid lamination flower stamp in black ink and stamp it off the edge of the watercolour design to add interest to the composition.

[VER ESTE PASO - 58:00](#)

PASO 9 DE 11

Cut a sentiment label to size and round the corners. Ink around the edges with black ink and attach it to the card front.

10

PASO 10 DE 11

Use a purple sparkle pen to enhance the black areas of the design, adding shimmer and dimension to the leaves and details.

[VER ESTE PASO - 1:03:00](#)

11

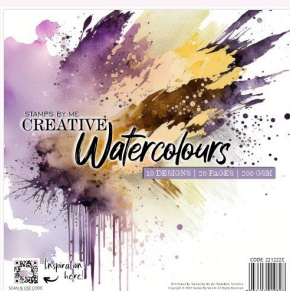

PASO 11 DE 11

Add purple sparkle pen accents to areas of the watercolour background to accentuate the design. Optionally add sequins or other embellishments to finish the card.

[VER ESTE PASO - 1:04:00](#)

CONSEJOS DEL PROGRAMA

- The creative watercolour papers are uncoated, so they take heat embossing, water, and colour beautifully.
- The papers are 200 GSM, making them perfect for card tops and layering.
- You can scratch back the uncoated paper with scissors if you want to add texture or detail.
