Teal and Gold Embossed Lantern Shaker Card

UN PROYECTO DE NUESTRO PROGRAMA EN VIVO - CATCH UP ON THE FRIDAY FRENZY - 15 DE OCTUBRE DE 2021

SOBRE ESTE PROYECTO

Create a stunning shaker card featuring a blurred watercolour-effect background with a lantern stamp, finished with heat-embossed gold detailing and a window aperture filled with sequins. The layered inking technique creates a soft, artistic backdrop that contrasts beautifully with the crisp embossed focal point.

Del programa: CATCH UP on the FRIDAY FRENZY
Mostrado: 15 de octubre de 2021
El proyecto empieza: 23:00 desde el inicio del programa
En esta guía: 16 pasos

VAS A NECESITAR

- TV - Sello A5 - Navidad - Sending Christmas Cheer - 120621J

PASO A PASO

1

PASO 1 DE 16

Start with a square piece of craft-coloured cardstock and place a lantern stamp in the centre, holding it in place with a magnet.

VER ESTE PASO - 23:00

2

PASO 2 DE 16

Apply dye-based ink (blue) directly onto the cardstock around the stamp, then spray the card with water to create a blurred effect.

VER ESTE PASO - 24:15

3

PASO 3 DE 16

Stamp the lantern into the wet ink and water, pressing down firmly, then lift the stamp away to reveal the soft, blurred impression.

VER ESTE PASO - 24:45

4

PASO 4 DE 16

Mop up excess water with a paper towel to remove dampness, then apply oxide ink (green) to the stamp and spray the stamp itself with water this time.

VER ESTE PASO - 25:30

5

PASO 5 DE 16

Stamp the lantern again onto the card to add another layer of colour and texture, creating depth in the background.

VER ESTE PASO - 26:15

6

PASO 6 DE 16

Once the card is dry, use an anti-static bag and apply sticky embossing ink over the lantern stamp impression.

VER ESTE PASO - 26:45

7

PASO 7 DE 16

Stamp the lantern twice more using the sticky ink pad to ensure all intricate details are covered with embossing ink.

VER ESTE PASO - 31:15

8

PASO 8 DE 16

Dust the embossing ink generously with Midas Touch embossing powder (gold), ensuring complete coverage of the stamped design.

VER ESTE PASO - 31:45

9

PASO 9 DE 16

Heat set the embossing powder with a heat gun until the powder melts and becomes shiny and raised.

VER ESTE PASO - 32:45

10

PASO 10 DE 16

Cut out the centre circle of the lantern design carefully using scissors, following the line of the design to create an aperture window.

VER ESTE PASO - 35:15

11

PASO 11 DE 16

Adhere a piece of acetate to the back of the card using foam pads around the window edge, ensuring no gaps so pieces don't fall through.

VER ESTE PASO - 37:00

12

PASO 12 DE 16

Stamp a sentiment from the same stamp set onto black cardstock and heat emboss it with Mermaid Tails embossing powder (teal).

VER ESTE PASO - 38:30

13

PASO 13 DE 16

Glue the embossed sentiment piece to the back of the acetate window so it shows through the aperture.

VER ESTE PASO - 39:45

14

PASO 14 DE 16

Add foam pads around the entire back of the window frame to create a shaker pocket.

VER ESTE PASO - 42:45

15

PASO 15 DE 16

Pour teal and silver sequins into the shaker pocket, spreading them evenly to avoid lumps in the middle of the card.

VER ESTE PASO - 45:00

16

PASO 16 DE 16

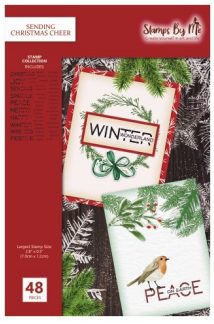

Adhere the shaker card to a card blank base, then add clear iridescent sparkles around the edge using glitter glue for extra embellishment.

VER ESTE PASO - 46:45

CONSEJOS DEL PROGRAMA

- Stamp twice with embossing ink to ensure all intricate details are covered before heat setting.
- Double-pad the foam pads if you want to add more sequins and create extra depth in your shaker card.
- Tap the card gently to help sequins settle and move around so the sentiment remains visible through the window.
