PASSO PASSO

1

PASSAGGIO 1 DI 10

Remove this beautiful floral frame paper from the Winter Story 6 x 6" Embellishment pack. If you are using a smaller card blank, then trim down to size, as required.

NB: You can use smaller card blanks and for our USA crafters, you can adapt your exclusive HSN collection, as necessary, to fit the sizes you are working with.

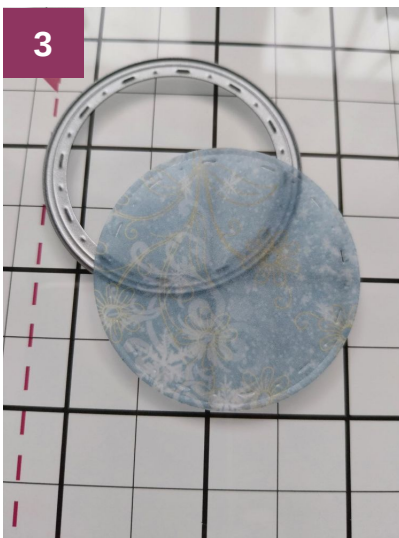

2

PASSAGGIO 2 DI 10

Fussy cut the Robin and a variety of floral elements, from this sheet found in the Embellishment pack.

3

PASSAGGIO 3 DI 10

Use a 2" circle die to create a "Moon" from one of the elegant vellum sheets, in the Winter Story Vellum Pack.

PASSAGGIO 4 DI 10

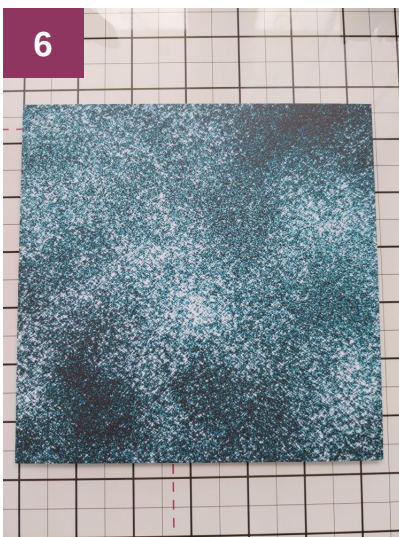

Mould and shape your cut-out elements with your fingers, before adhering around the bottom right of your floral frame. Use a combination of wet glue and foam pads, to create depth and dimension to your 3D layout.

NB: Leave the top of the Robin free from glue, so you can slide the "Moon" behind it.

PASSAGGIO 5 DI 10

Using your tape runner, secure the vellum "Moon" behind, so the Robin emerges from the floral display, against the backdrop of the Moon.

PASSAGGIO 6 DI 10

Trim this gorgeous teal paper, from the All Surfaces Paper Pack, to 6 1/4" square (if you're working on a smaller card, then trim 1/4" bigger than the size of your floral wreath paper).

7

PASSAGGIO 7 DI 10

Adhere your artwork on to the teal background paper.

8

PASSAGGIO 8 DI 10

Stamp your chosen sentiment with the Midnight ink, in the bottom right corner of your artwork.

9

PASSAGGIO 9 DI 10

Adhere your artwork on to the front of your white card blank.

10

PASSAGGIO 10 DI 10

To complete your project, add a touch of festive sparkle, where required, using the Ranger Stickles.
