PASSO PASSO

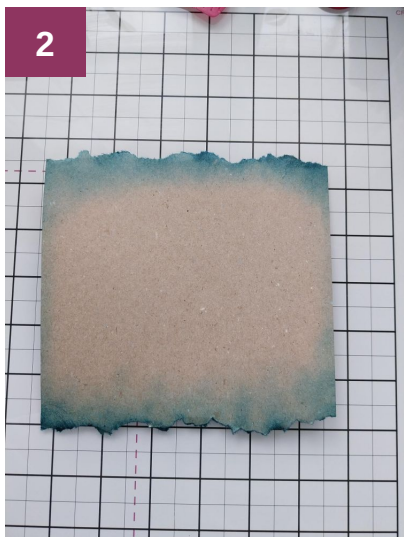

1

PASSAGGIO 1 DI 10

Tear a piece of kraft card the same width as your card blank and about 5 3/4" deep.

2

PASSAGGIO 2 DI 10

Blend Tiffany along the top and bottom torn edges.

3

PASSAGGIO 3 DI 10

Stamp this beautiful design, in Midnight, in the centre of your torn, kraft panel.

4

PASSAGGIO 4 DI 10

Paint areas of your stamped design with the White Lace Confetti paint before splattering paint over your artwork.

Tip: I allowed my paint to dry before adding more paint, to achieve a brighter tone of white in random areas.

5

PASSAGGIO 5 DI 10

Once my artwork was completely dry, I used a black, fine line pen to go back in and draw over stamped lines that had lost their definition.

6

PASSAGGIO 6 DI 10

Stamp your sentiment in the centre, with the Midnight ink.

7

PASSAGGIO 7 DI 10

Tear this sheet from the Teal All Surfaces paper pad, the same width as your card and about 1/2" deeper than your stamped panel.

8

PASSAGGIO 8 DI 10

Adhere your artwork on to the torn paper panel.

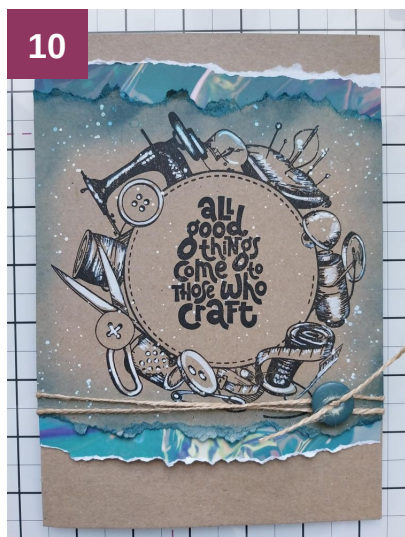

9

PASSAGGIO 9 DI 10

Tie a length of twine around the bottom of your artwork and use to secure a button, as seen here.

10

PASSAGGIO 10 DI 10

Adhere to the front of your kraft card blank, leaving a small gap at the top.
