PASSO PASSO

PASSAGGIO 1 DI 10

Swipe both grey Oxide ink pads over the debossed side of the Cabaret folder and spritz with water.

PASSAGGIO 2 DI 10

Place a piece of white card 6 1/2 x 4 1/2" inside the folder, with the inked side on top and run it through your machine.

PASSAGGIO 3 DI 10

Blend Pistachio around the outer edges of your embossed card, before popping to one side.

4

PASSAGGIO 4 DI 10

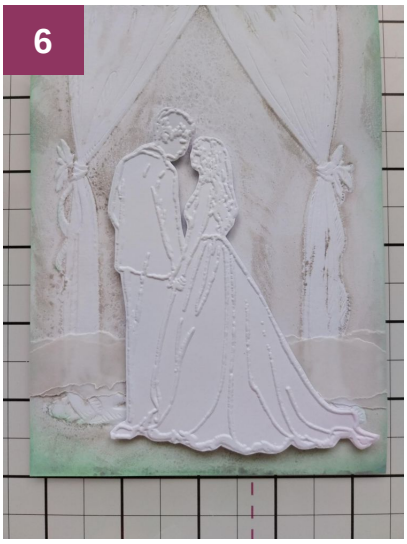
Place a piece of 4 x 6" white card inside the Happy Ever After embossing folder and run it through your machine. Fussy cut the Bride and Groom.

5

PASSAGGIO 5 DI 10

Tear 2 strips of vellum and lay one on top of the other, across the bottom third of the embossed card. Tuck the ends of the vellum over the edges of the card and secure on the reverse with double-sided adhesive tape.

6



PASSAGGIO 6 DI 10

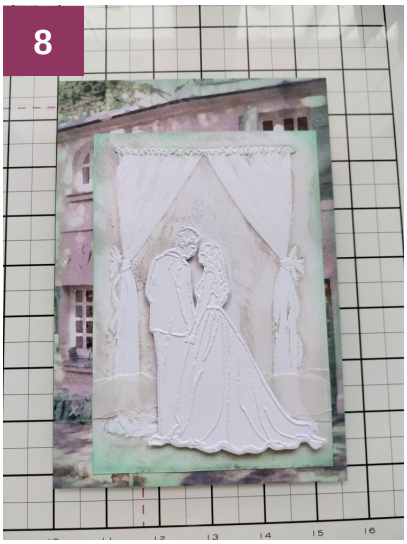
Secure your Bride and Groom in place, with foam pads.

7

PASSAGGIO 7 DI 10

Trim this scenic paper from Foreign Romance, to 8 x 5 1/2". Blend the Pistachio around the outer edges.

8



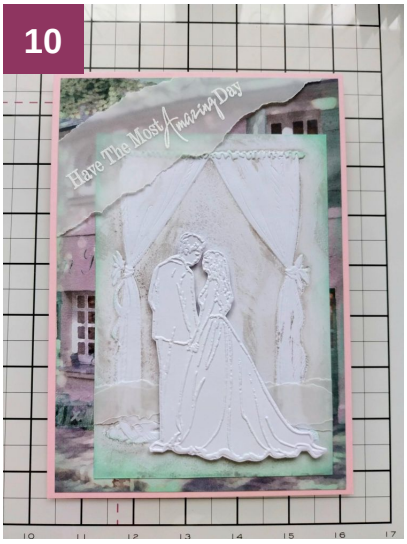
PASSAGGIO 8 DI 10

Secure your embossed artwork onto the scenic paper, to the right hand side as shown here.

9

PASSAGGIO 9 DI 10

Tear another panel of vellum long enough to sit diagonally across the corner of your project, using your sentiment stamp (from the Christmas Advent Calendar) as a size guide.
Wipe over the vellum with your anti-static bag before stamping the sentiment with the sticky WOW embossing ink. Cover with the white embossing powder, decanting the excess back into the pot. Get your heat tool good and hot before heat setting the powder.
Lay the embossed vellum diagonally, across the top left of your project. Tuck the ends of the vellum over the edges of the paper and secure on the reverse with your tape.



PASSAGGIO 10 DI 10

Secure to the front of your pink card blank, to finish.
