PASSO PASSO

1

PASSAGGIO 1 DI 11

Apply the Distress Oxides one at a time, on to your craft mat. Spritz with water and mop up the inks, to create your background. Blast with your heat tool.

2

PASSAGGIO 2 DI 11

Ink up this beautiful floral stamp, from the Hope Collection, with the Onyx Black Versafine and stamp across the top left corner of your background. Repeat, this time stamping it in the bottom right corner.

3

PASSAGGIO 3 DI 11

Placing the Dash Frame stamp in position, ink it up with the Versafine but only in the top right and bottom left corners, then stamp as shown here.

4

PASSAGGIO 4 DI 11

Using the die from the Hope Collection, die cut 2 butterflies from decorative sheets in It's All About You paper pads, or from any other papers in your crafty stash.

Place the 2 die cut butterflies as shown here, to determine where you want to stamp the butterfly, from the Hope Collection.

5

PASSAGGIO 5 DI 11

Ink up the butterfly stamp with the Versafine and stamp in position.

6

PASSAGGIO 6 DI 11

Using your die cut butterfly as a guide, ink up and stamp the second butterfly in place, so in a later step the die cut butterfly will be adhered directly ON TOP of the stamped image.

7

PASSAGGIO 7 DI 11

Repeat the previous step, stamping the 3rd butterfly where the other die cut butterfly will eventually be adhered.

8

PASSAGGIO 8 DI 11

Ink up the sentiment stamp from the Beautiful Moments Stamp Collection, with the Versafine and stamp where required, remembering you still have the die cut butterflies to add.

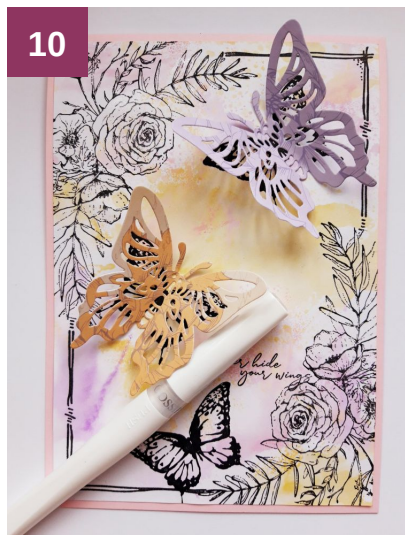

9

PASSAGGIO 9 DI 11

Adhere your artwork on to your top folding, pink card blank.

10

PASSAGGIO 10 DI 11

Add sparkle to your die cut butterflies, then adhere in place on top of the 2 stamped butterflies.

11

PASSAGGIO 11 DI 11

To finish, use the Liquid Pearl Drops to add butterfly trails.
