# PASSO PASSO

1

PASSAGGIO 1 DI 11

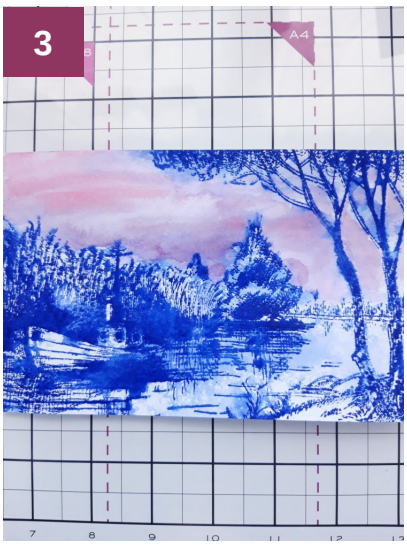
**Ink up Imala Waterside with the Surfboard.** Spritz with water and stamp on to the white card (7 x 5"). Spritz the stamped image with water, allowing the ink to move/bleed, before mopping up the excess, with a paper towel. DO NOT MOVE YOUR STAMP OR CARD but blast it quickly with your heat tool.

2

PASSAGGIO 2 DI 11

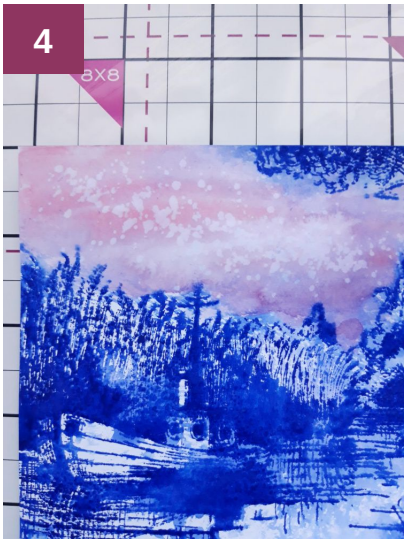
**Reink the stamp with Surfboard and stamp back over your "loose" image,** thus redefining details within the image. Blast the ink with your heat tool.
Trim your card down to the size of the stamped image (6 3/4 x 4 1/4").

3



PASSAGGIO 3 DI 11

**Apply a little of the Magenta to your craft mat,** add water and loosely paint the sky. You can dab areas of the wet paint with a paper towel, to give the effect of wispy clouds.



PASSAGGIO 4 DI 11

**Splatter drops of water in the sky, wait a few seconds,** then mop up the excess water and give your artwork a quick blast with your heat tool.

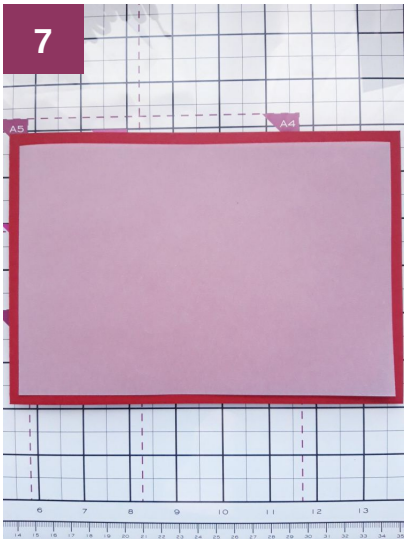
PASSAGGIO 5 DI 11

**Using the diluted Magenta ink,** paint hints of the pink sky, reflected in the water.
Allow your artwork to completely dry or blast with heat tool, to speed it up.

PASSAGGIO 6 DI 11

**Adhere your artwork** on to the black card (7 x 4 1/2").

7



PASSAGGIO 7 DI 11

**Adhere the vellum panel on the front of your card blank,** keeping any glue applied towards the centre of the vellum.

8

PASSAGGIO 8 DI 11

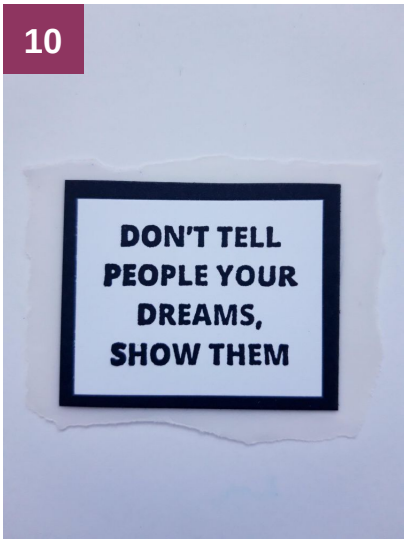
**Adhere your artwork on to your card** and set to one side.

9

PASSAGGIO 9 DI 11

**Ink up the sentiment, from Imala Heart Art, with the Onyx Black Versafine** and stamp on to white card.
Trim to size, then adhere on to black card and trim that to size.

10



PASSAGGIO 10 DI 11

**Tear a piece of vellum slightly bigger than your layered sentiment** and adhere your sentiment on to this.

11

PASSAGGIO 11 DI 11

**Adhere your sentiment in the top right corner,** to finish.
