## PASSO PASSO

1

### PASSAGGIO 1 DI 11

**Shake the Pixie Powder on to the white card**, then spray with water and watch the magic happen! You can add more powder and/or water, until you are happy with your background. Use your heat tool to dry it.

2

### PASSAGGIO 2 DI 11

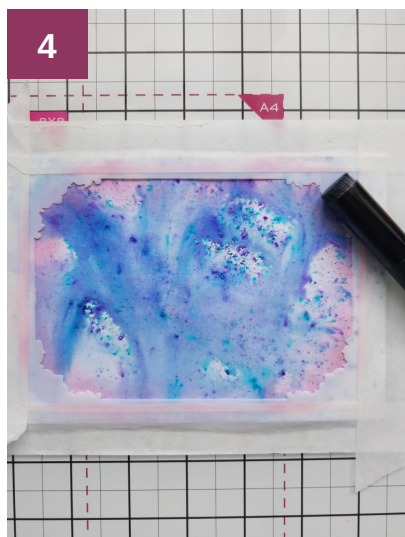

**Shake your blue Gossip iridescent pen**, to activate the glitter before squeezing some on to your glass mat. Use a paint brush to splatter the glitter over your background, before drying it with your heat tool.

3

### PASSAGGIO 3 DI 11

**Lay your background in landscape view**, place the Stylized Frame stencil on top and secure with low tack tape.

## PASSAGGIO 4 DI 11

Using a blending tool, apply the **Kitsch Flamingo** around the inner edges of the stencil

## PASSAGGIO 5 DI 11

Keeping the stencil in place, ink the beautiful stamp from **Dare To Dream**, with the Midnight hybrid ink and stamp within your frame stencil.

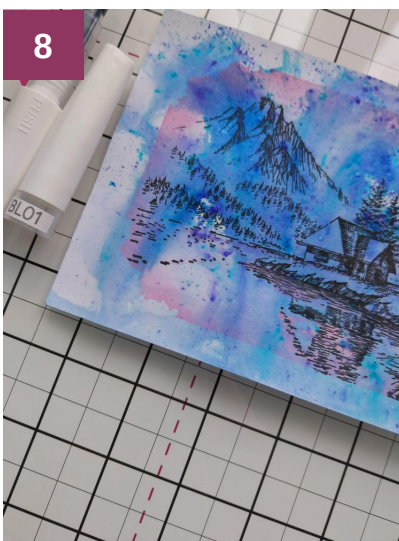

## PASSAGGIO 6 DI 11

Carefully remove the stencil and dry your artwork with your heat tool.

## PASSAGGIO 7 DI 11

**Pop some of the Kitsch Flamingo on to your glass mat,** add water and paint within the reflection of the cabin, as though the sunset is reflecting in the water.

## PASSAGGIO 8 DI 11

**Shake the blue Gossip pen again,** then add sparkle to the reflective water.

## PASSAGGIO 9 DI 11

**Apply the Cotton pigment ink to your glass mat,** add water and paint accents and highlights as required. I added them to the tops of the mountains, on the roof of the cabin, on the water banks and a few in the reflections in the water.

Dry your artwork with your heat tool, as pigment ink is slow drying and it will smudge!!

10

## PASSAGGIO 10 DI 11

**Ink up "Make A Wish" with the Midnight** and stamp in the bottom left corner of your artwork.

11

## PASSAGGIO 11 DI 11

**To finish, adhere your artwork on to the black card** and then on to your pink, landscape card blank.
