## PASSO PASSO

1

### PASSAGGIO 1 DI 9

**Place the 5 1/2" white, square cardstock** inside your embossing folder and run it through your machine.

2

### PASSAGGIO 2 DI 9

**Remove this gorgeous vellum** from the Classic Celebration Vellum pack.

3

### PASSAGGIO 3 DI 9

**Tear a panel of vellum, as wide as you wish** and fold about a cm over, at the top. Place inside the embossing folder, slightly to the left and run it through your embossing folder.

Tip: Look at the photo in the next step, so you can see what you're aiming for and where you want to place your panel, within the folder.

4

## PASSAGGIO 4 DI 9

**Line up your embossed vellum with the embossed card.** Tuck the top and bottom ends over the card and adhere on the reverse with double sided tape or a tape runner.

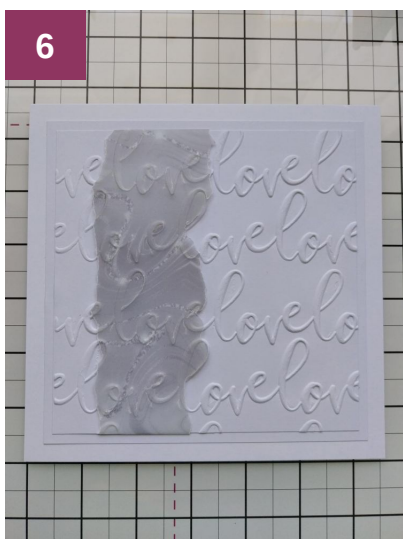

5

## PASSAGGIO 5 DI 9

**Adhere this on to the white card** cut to 5 3/4" square.

6

## PASSAGGIO 6 DI 9

**Adhere this on to your white card blank.**

## PASSAGGIO 7 DI 9

**Stamp a selection of florals and foliage from Let's Celebrate**, with the Midnight hybrid ink, on to a piece of white card. Use the coordinating dies to cut them out, before colouring in with your Gossip alcohol pens. Pop a sheet of copy paper or scrap card underneath, to prevent the ink bleeding through the card and damaging your work surface.

## PASSAGGIO 8 DI 9

**Use a combination of wet glue and foam pads** to adhere your 3D elements around the bottom left corner of your card.

## PASSAGGIO 9 DI 9

**To finish, add sequins on, around and tucked just under** your 3D elements.
