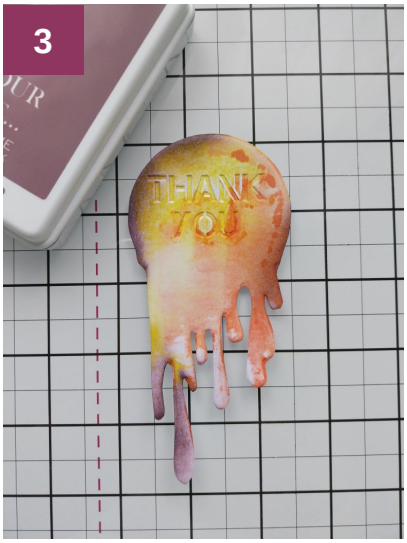
PASSO PASSO

PASSAGGIO 1 DI 7

Swipe the Sherbet and Bittersweet ink pads in to the DEBOSSED circle icon on the folder. Spritz with water, place the 6 x 4" white card inside and run it through your machine. Remove the embossed card, hold upright and spray with water, allowing the ink to blend and "drip". Give it a quick blast with your heat tool.

PASSAGGIO 2 DI 7

Fussy cut your embossed image.

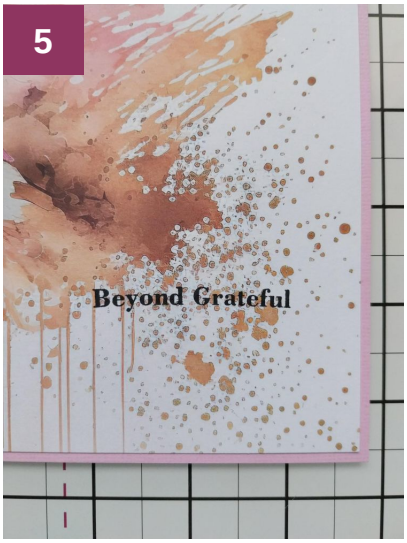


PASSAGGIO 3 DI 7

Use your blending tool to lightly blend Heather around the edges, before popping it to one side.

PASSAGGIO 4 DI 7

Remove this decorative sheet from the Creative Watercolours paper pack and adhere to the pink textured card, trimmed to 6 1/4" square. Ensure the "paint drips" within the printed design, are placed downwards.

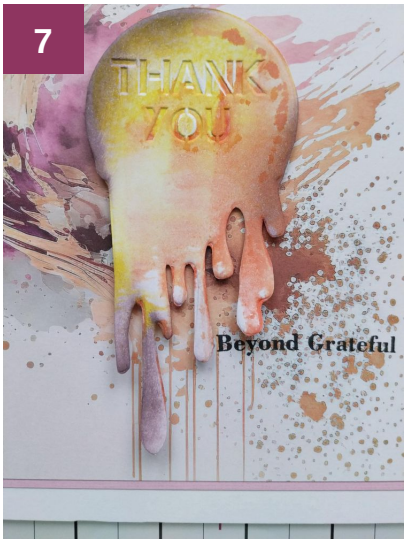


PASSAGGIO 5 DI 7

Stamp the sentiment, from the Magical Frame Collection, in the Midnight hybrid ink, to the bottom right of the printed image.

PASSAGGIO 6 DI 7

Adhere to your 7" white card blank.



PASSAGGIO 7 DI 7

To finish, adhere your embossed 3D element with foam pads, to the centre of your artwork.
