PASSO PASSO

PASSAGGIO 1 DI 11

Trim this decorative paper, from the Delicate Florals paper pack, to 8 x 4" (same size as your DL card blank).

PASSAGGIO 2 DI 11

Adhere to the front of your card blank, before blending around the edges with the Iced Spruce Oxide.

PASSAGGIO 3 DI 11

Place this decorative vellum sheet on top of your card blank, so the right side is flush with the card and make a mark where the open panel is, on the paper underneath.

PASSAGGIO 4 DI 11

Stamp this Poppy with the Archival, so it's coming in from the left edge and will be visible within the vellum panel.

PASSAGGIO 5 DI 11

Place the vellum sheet back in position on the card blank, make a mark and trim off the left side so there are a couple of cm's overhanging, as seen here. Pop the trimmed piece of vellum to one side, as you will need it in a minute.

PASSAGGIO 6 DI 11

Fold the vellum overhang over the left edge of the card blank and secure on the reverse with your tape runner or vellum dots.

7

PASSAGGIO 7 DI 11

From the vellum you set aside, tear around this floral image. You can use scissors but I like the raw look of tearing it!

8

PASSAGGIO 8 DI 11

Adhere along the bottom of your card, leaving the leaves and tops of the floral elements loose.
Pop your card to one side.

9

PASSAGGIO 9 DI 11

Die cut the You & Me sentiment from black card. You can cut 2 or 3 and adhere together, to create a substantial 3D element.

10

PASSAGGIO 10 DI 11

Adhere your sentiment down the right side of the vellum panel.

11

PASSAGGIO 11 DI 11

Finish your card with a few sequins, as required.
