PASSO PASSO

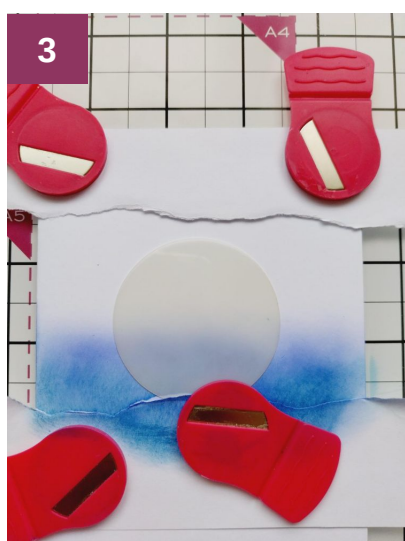

PASSAGGIO 1 DI 10

Tear a sheet of copy paper to create TWO skyline "masks", placing one near the top and the other just under half way down the front of your card blank.

**PASSAGGIO 2 DI 10**

Use your blending brush to apply the Ocean ink, coming up from the lower mask, fading it out as you move upwards.

**PASSAGGIO 3 DI 10**

Use your magnet to hold your circle mask in the centre, coming up from your blended ink.

**PASSAGGIO 4 DI 10**

Blend within the rest of your masked-off panel, with the Heather, blending well where both colours meet.

PASSAGGIO 5 DI 10

Use a paint brush to splatter drops of water over the ink. Wait a few seconds before mopping up the excess water and ink, with a paper towel.

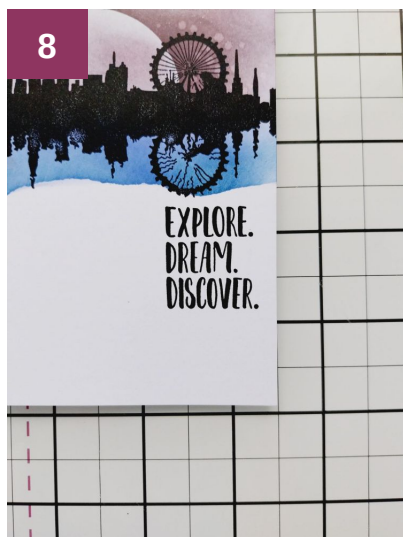

PASSAGGIO 6 DI 10

Remove the circle mask and lightly blend the Heather within your rising Moon, taking away the harshness of the white card.

PASSAGGIO 7 DI 10

Remove your skyline masks and allow the ink to dry thoroughly. Stamp your reflective skyline, with the Midnight Hybrid ink, across your inked panel.

PASSAGGIO 8 DI 10

Stamp the sentiment in Midnight, below and to the right, of the inked panel

PASSAGGIO 9 DI 10

Use a white gel pen to add accents and highlights to your stamped image.

PASSAGGIO 10 DI 10

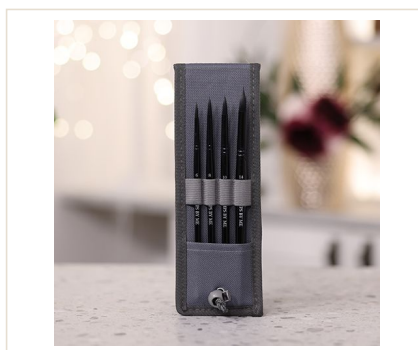

Your card is now complete. You can add a hint of glitter or sparkle if desired.
