PASSO PASSO

1

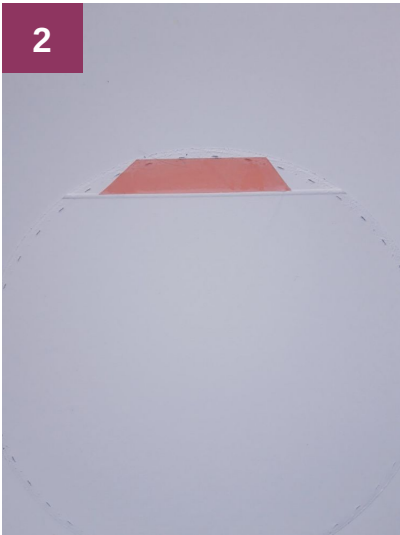

PASSAGGIO 1 DI 18

Place the circle die, that measures approx 6 1/2" in diameter, on to one corner of one sheet of A4 white card, and run through your die cutting machine.

Repeat so you have TWO white die cut circles, the same size.

2

PASSAGGIO 2 DI 18

Place one of the die cut circles on to your score board, and score across at approx 2cm down from one edge.

Add red liner tape above the scored line, as shown in this image.

3

PASSAGGIO 3 DI 18

Carefully place the second die cut, white circle, on top of the first, applying pressure over the adhesive tape, so they adhere flush together. You have now created your circular card blank.

4

PASSAGGIO 4 DI 18

You need to cut a small strip of the card off, along the base of the back of your card blank, to enable your card blank to stand up, without rolling around!

Set your card blank to one side.

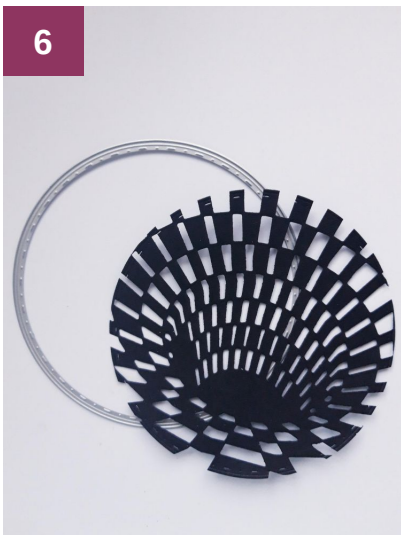

5

PASSAGGIO 5 DI 18

Place the die from the Alice Cover Plate Die Collection, on to the 7 x 5" black card, and run through your die cutting machine.

6

PASSAGGIO 6 DI 18

Place the circle die that measures approx 4 1/2", on to the section of the Alice Cover die cut element that you want to use, as shown here, and run this through your die cutting machine.

7

PASSAGGIO 7 DI 18

Place the same sized circle die on to an area of your white A4 card, and run through your die cutting machine.

Adhere the black Alice Cover die cut element on to the white, die cut circle mat.

8

PASSAGGIO 8 DI 18

Place the circle die that measures approx 5" on to the black card (5 1/2 x 5 1/2") and run through your die cutting machine.

Adhere your Alice Cover die cut element on top of your black, die cut circle mat, ensuring its flush around the bottom edges, as shown here.

9

PASSAGGIO 9 DI 18

Adhere this on to the front of your circular card blank.

NB:Ensure that your card blank is the right way up, with the cut off base of your card blank, at the bottom, BEFORE adhering your die cut element in position, where required.

Set your card to one side.

10

PASSAGGIO 10 DI 18

Take the 2 dies, shown here, from the Lovely Layers Die Collection and place on to some of your remaining white cardstock. Run through your die cutting machine and set to one side.

11

PASSAGGIO 11 DI 18

Spray the Izink Blue Moon on to your craft or glass mat, spritz with water and pick up the ink on to the 8 x 7" white cardstock. Repeat using the Izink Cassis Violet Dye Spray. Dry the ink before proceeding to the next step.

12

PASSAGGIO 12 DI 18

Place the coordinating floral and foliage elements, from the Lovely Layers Die Collection, on to your inked card and run through your die cutting machine. You can die cut as many as you wish, as any left over, can be kept for another card.

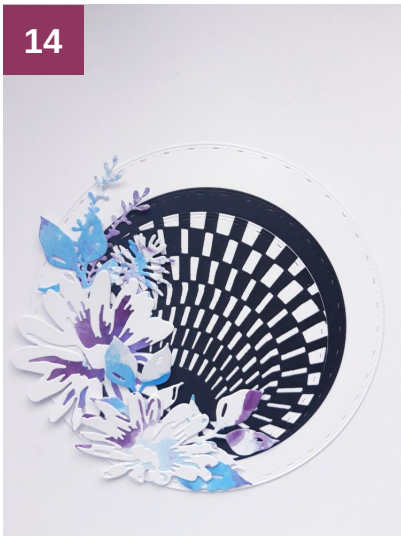

13

PASSAGGIO 13 DI 18

Using the images on the packaging as a guide, adhere your detailed floral elements on to the white die cut floral elements, that you set aside earlier, as shown here.

14

PASSAGGIO 14 DI 18

Once you have decided which die cut elements you are using, and the layout of your floral design, adhere them all in place, on to your card blank. Remember to ensure the base of your card blank is at the bottom before gluing everything in place!

15

PASSAGGIO 15 DI 18

Use your banner tag punch on one end of the 3 x 1" white card, to create a banner strip.

16

PASSAGGIO 16 DI 18

Ink up the sentiment from the Poppy Days Stamp And Die Collection, with the Onyx Black Versafine and stamp on to the banner strip.

Use a black pen to draw a stitched line around the banner.

17

PASSAGGIO 17 DI 18

Adhere the sentiment banner in place, tucked just under the edges of the floral petals, with wet glue, or foam pads.

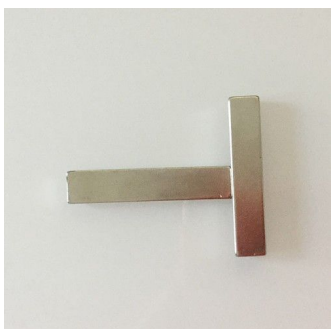

18

PASSAGGIO 18 DI 18

To finish off your card, add sequins on, under, and around your floral design.
