

Reflection Collection Lake Scene Card

UN PROGETTO DALLA NOSTRA DIRETTA - HOBBYMAKER TV - 7 MAGGIO 2026

IL PROGETTO FINITO

IL PROGETTO

Create a beautiful lakeside scene card featuring herons and water reflections using the Reflection Collection stamps. This elegant design uses layered stamping to build depth and perspective, with birds silhouetted against a serene waterscape complete with reeds and atmospheric details. The technique produces a professional-looking scene without the need for complex ink blending or acetate overlays.

PASSO PASSO

1**PASSAGGIO 1 DI 8**

Select a patterned paper from the Marbled Elegance collection featuring pink, gold and purple watercolour wash effects. This will form the base for your card.

2**PASSAGGIO 2 DI 8**

Ink up the landscape stamp with black ink and stamp it once onto the watercolour paper to create a light silhouette of the scene.

3**PASSAGGIO 3 DI 8**

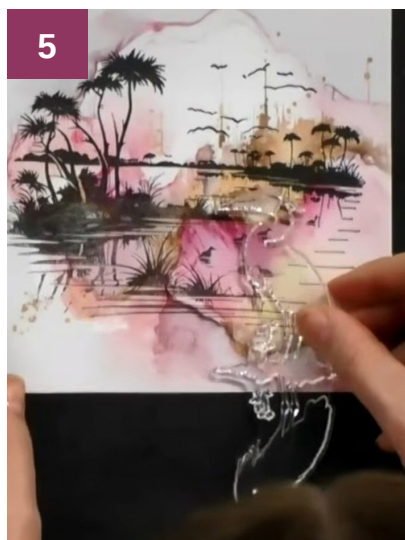

Re-ink the top portion of the stamp with solid black ink and stamp it again in exactly the same position over the previous image. This creates a darker reflection effect at the top of the scene.

4**PASSAGGIO 4 DI 8**

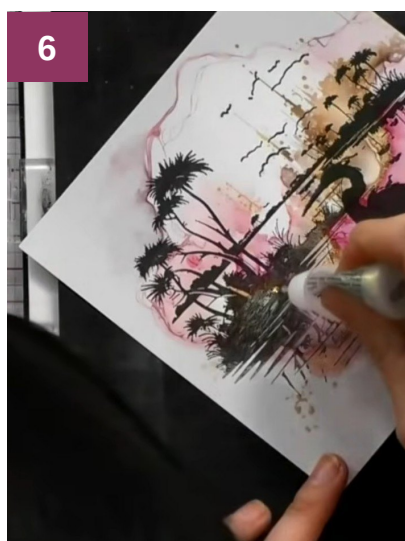

Stamp the bird image onto the card using solid black ink. Position the bird in the foreground area as if it's watching over the water.

GUARDA QUESTO PASSAGGIO - 28:00

**PASSAGGIO 5 DI 8**

Stamp the bird image again in the same position using darker ink to create more depth and make the bird stand out more prominently against the background.

CONSIGLI DALLA PUNTATA

- You don't need to do any ink blending - the patterned paper provides the background wash effect
- Stamp the background elements lightly first, then re-stamp darker areas to create perspective
- You can use any papers from your stash as the background - the stamps work with everything
