IL PROGETTO FINITO

IL PROGETTO

Create an elegant gift box wrapped with coordinating ribbon in a classic cross pattern, finished with a decorative bow at the centre. This project uses holographic card as the base, complemented by pink ribbon to create a beautiful present-like appearance. The main techniques include precise ribbon wrapping both horizontally and vertically, and tying a neat bow to complete the gift box.

CONSIGLI DALLA PUNTATA

- Use red-liner tape or glue for permanent attachment, as tape pen alone may not hold well on boxes that will be handled.
- You can create a double bow for a more extravagant look if desired.
